PRELIMINARY HEARING

TESTIMONY

UNDERCLASSMEN TAKE THE STAND

WHAT IS THE BEST THING ABOUT R.H.S.?

We asked this question of the underclassmen in a school survey, and received quite a variety of answers. Among the favorites were the variety of sports, the people you get to know, some teachers, and the wide selection of classes. Others thought these answers exemplify the best things of our school. It has lots of spirit, many activities and some feel it gives the students lots of freedom. Others like the new smoking area and the rock as well as the weekends, vacations, the pool, and the school's size. Others rated the girls, counselors, or the Pep Band as best. The Hodag was also voted number one by some.

WHAT IS THE WORST THING ABOUT R.H.S.?

Our survey proved the R.H.S. students have a wide variety of dislikes. The top vote getters were: no open campus, some teachers, lunch, the office workers, and the administration. Some people don't like the new smoking area, parking stickers, vandalism, drugs, and the gossip. Homework, the bathrooms, lack of heat, the building, classes and grades also were unfavorable. Others disliked the crowded conditions, fighting, cliques, lack of dances, boys, short vacations, bad attitudes, no music in the cafeteria, and some feel too many credits are required.

HAS YOUR OPINION OF R.H.S. CHANGED SINCE ORIENTATION?

The most common answer to this question is that they thought the school was huge and frightening, but once they made their way around, it wasn't all that big. Others were afraid the Seniors would pick on them, but it wasn't as bad as expected. The former newcomers are now used to the school and like it more. Some don't like it, some do. Many think it isn't hard and like the teachers and classes. For other students, it isn't as bad as they thought it would be. A few people expected it to be like Junior High, but discovered it not to be. The main change is they aren't afraid anymore.

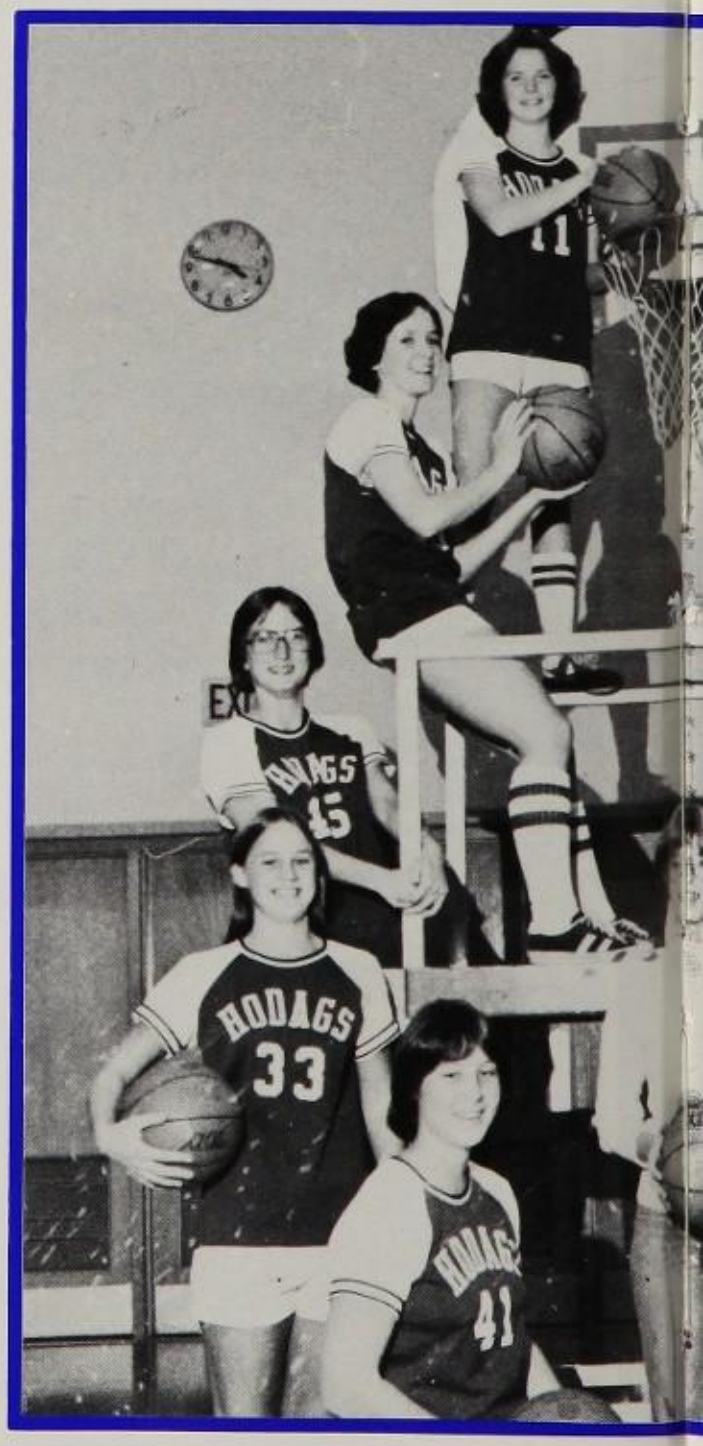
GOOD

70

The 1970's have come and gone. Within the past decade, many changes have molded and shaped Rhinelander to make ready for the 1980's.

In 1970, Saint Mary's Hospital began a big expansion project to help it better serve the Northwoods. The James Williams Junior High, a much needed addition to the school system was built in 1974. In 1975, both Oneida Mall and Sunrise Plaza were built for the shopper's convenience. 1978 was the year when the Police and Fire Department's combined in a newly remodeled building to better accomodate the Oneida County residents. There were several "I Care About Rhinelander" projects in July and August of 1978, one of these being the sponsoring of the Up With People Concert. The summer of 1979 brought a new look to the Oneide County Airport. They built a larger and more modern terminal, and also lengthened the runways to allow for larger planes to land in Rhinelander.

R.H.S. itself made many changes to benefit the future. In 1970, the art wing was added to the school to accomodate the rising enrollment. Another addition to the building was the shop wing in 1974. The driver education simulator was added in 1978, and the portable classroom in 1979. Many policies have also changed throughout the decade. One of them was open campus. During 1970 through 1973, Juniors and Seniors could be scheduled to have 6th and 7th hours free if requested. Also Athletes could have 7th hour open. In 1973-1974, sophomores, Juniors and Seniors could have the afternoons off with parental permission. In 1975, Freshmen were also granted this privilege. The 75-76, brought about changes, where only Seniors could have open Campus.



-BYE

O's

Bottom Left: 1974 saw the start of the newest shopping center in Rhinelander, The Oneida Mall. **Bottom Right:** Ground is broken for the expansion of Saint Mary's Hospital in 1970. **Far Bottom: The Football coaches of 1970 were:** Tom Wilkins, Tom Davis, Jeff Scandin, Juan Mentink, George Baskic, Harold Schmidt.

Changes in credit requirements also came about in the 70's. The freshmen of 1974-75 were required to have twenty and one half credits, instead of seventeen and one half.

Enrollment greatly increased over the decade. In 1970, the figures were in the high thirteen hundreds. By 1979 they had climbed to nearly sixteen hundred and fifty.

The athletic program at R.H.S. also improved and increased greatly. Mike Webster, who now plays for the Pittsburgh Steelers, graduated from Rhinelander in the early 70's. The 1974-75 school year produced both outstanding football and basketball teams, with such stars as Jim Moore and Dave Crossen playing on them. The Bell returned to Hodag Country that year also.

The boys' swim team remained undefeated through the 70's losing their first dual meet in 1979.

In the mid 70's, many girls' sports were introduced. The 78-79 basketball team showed their strength when competing in state competition.

All of the girls' teams have fared well, sending many competitors to the state level.

The 70's were a definite asset to the Rhinelander area as well as our school. What will the 80's bring? Hopefully they will be as progressive and helpful as the 70's.

CHANGES IN PARKING LOT

During the 1978-1979 school year parents and school officials became increasingly aware of severe problems in our school parking lot. With the effort of concerned people, specific problems in the parking lot were dealt with and considerable change was obtained. A survey was sent to all parents questioning the extent of these problems in our parking lot: loitering, vandalism, pedestrian safety, student smoking, use of alcohol and other drugs, sexual activity, lack of supervision of students in cars, and underclassmen and students under 18 years of age leaving school without permission.

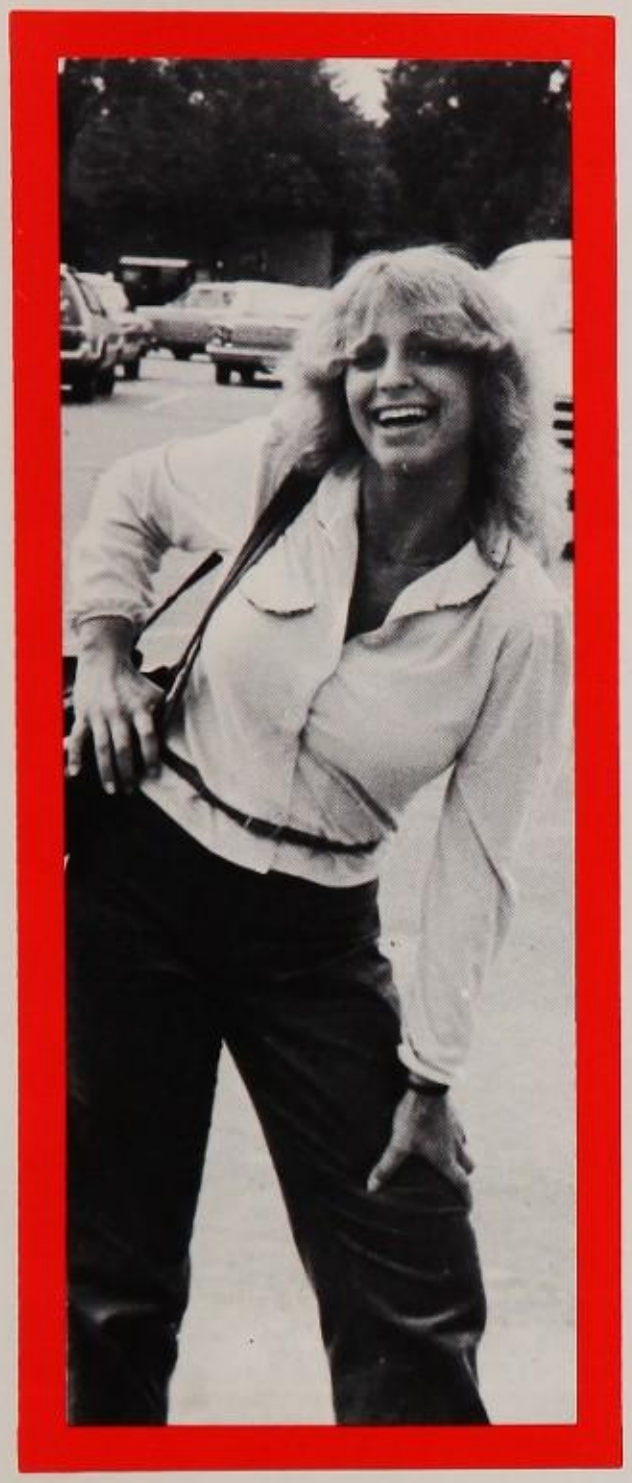
The survey was returned with great success which indicated to everyone involved that something must be done.

Several regulations were adopted by the Rhinelander School Board to deal with these problems.

As of September of this year, in order to park in the student parking lot or immediate area of the school, a parking sticker must be purchased for five dollars. The sticker is to be posted at all times on the lower inside rear window.

Upon arriving, students park their vehicles and immediately leave the parking area; furthermore, when leaving the school, they immediately leave the parking area. Students are not allowed to loiter in their vehicles. Cars are to be locked at all times. Parking lines have been designed and students park only in the assigned areas. A parking lot supervisor monitors the area. Only Seniors are allowed to move their vehicles during the school day. Violations of parking rules may lead to suspension or revocation of parking privileges.

With the improvement of supervision on the parking lot many problems seem to have been eliminated. But smoking, for example, is still a question as to whether it's desirable at all in the school.



SCHOOL SPIRIT ON THE UPSWING

In past years the school spirit of Rhinelander High School has been very dismal. This year however, it seemed to be on an upswing. One explanation could have been that the students were simply more interested and more involved than they have been in recent years.

Unlike the past, we created more things to do this year at R.H.S. We welcomed many new additions such as the Pep Club, Spirit Week, bringing the "Bell" home, and door decorating.

The Pep Club, although not very large, lifted spirits by painting posters and attending athletic events where their enthusiasm was very apparent.

"Spirit Week," created by the Student Council, turned out to be a hugh success during the 1979 Homecoming Week. Green and White Day proved to be one of the favorites with many participating from each class.

The "Bell" finally came back home after a four year visit to Antigo. The Green and White beat the Robins 14-0, sparking a true demonstration of school spirit and many celebrations after the game. During the pep rally, Hodag spirit and pride climbed to new heights.

This year, for the first time in many, door decorating was revived. Mr. Jeff Santy started the fun by offering a free yearbook to the four doors that were best "dressed" for the Christmas Holiday.

Doing a fine job of promoting school spirit at all the athletic events were the R.H.S. Cheerleaders, and complimenting them was the R.H.S. Pep Band, considered the best in the conference by all those who have enjoyed their music.

School spirit was truly very strong and on the upswing this year. Hopefully in the future it will be raised even higher.

FAIR PLAY

What is the future of athletics in our school if the existing facilities cannot accomodate our present sports? The past decade has seen an expansion in athletics, especially girls athletics, and there is a possibility for more growth in the future. The Wisconsin Valley Conference is a very competitive conference and for RHS to be on a comparable level with the other schools we need equal facilities. Often other schools get a jump on the Hodag teams because of the equipment, space, and indoor facilities they have and we don't. Most certainly the best way to update our facilities would be to build a fieldhouse. A fieldhouse would be a definite advantage to almost every Hodag team. An indoor track would be a blessing for the students competing in track. No more running in the school hallways with the fear that someone will walk out of a classroom and into a race. Our track has become a joke among area schools. Most schools refuse to run on it for various reasons. Cinder tracks are slow, you need a certain shoe and they can be a bit more dangerous than other tracks. Thus, home meets for our track teams have become a rarity. With a fieldhouse these problems could be solved and our teams could compete in the indoor season and be better prepared for the outdoor season. The softball and baseball teams could certainly use a fieldhouse to work in before the weather permits them to move outside. Usually they cannot go outside until sometime after the season has started. There is no doubt that there is just not enough space right now with present facilities to supply the basketball teams with sufficient practice time. There are now five boys' and two girls' basketball teams. They share courts, sometimes use the junior high, and practice at odd hours, making it difficult not only on the athletes but on their parents who must make arrangements for transportation. The gymnastics team really has no special area to practice in. They use the cafeteria, lobby and commons. The areas are cramped and it takes some time to drag all the equipment mats out, set them up and then reverse the procedure after practice. The wrestling team also has crowded quarters in the balcony. There is not enough mat space for the number of wrestlers in need of it, and when working out they often run up and down the steps which can be dangerous when there are so many doing so. The hockey team, without an indoor rink on which to practice, is finding it hard to compete against teams that have been practicing several weeks before the Hodags ever get on ice. By practicing within the halls and stairwells of RHS athletes run a high risk of injury. With so many teams vying for so little space and time, athletes and coaches often become irritated with each other. Hopefully RHS will not fall farther behind our Valley competition because of a lack of facilities, but the future doesn't look good without them. The building of a fieldhouse would give our athletes and coaches the facilities and space they need to be one hundred per cent with their opponents.

1979 was a worrisome year, with major issues troubling the United States. The Three Mile Island Nuclear Plant in Harrisburg, Pennsylvania was the first major nuclear disaster in the United States, putting doubt and speculation into the future of nuclear energy.

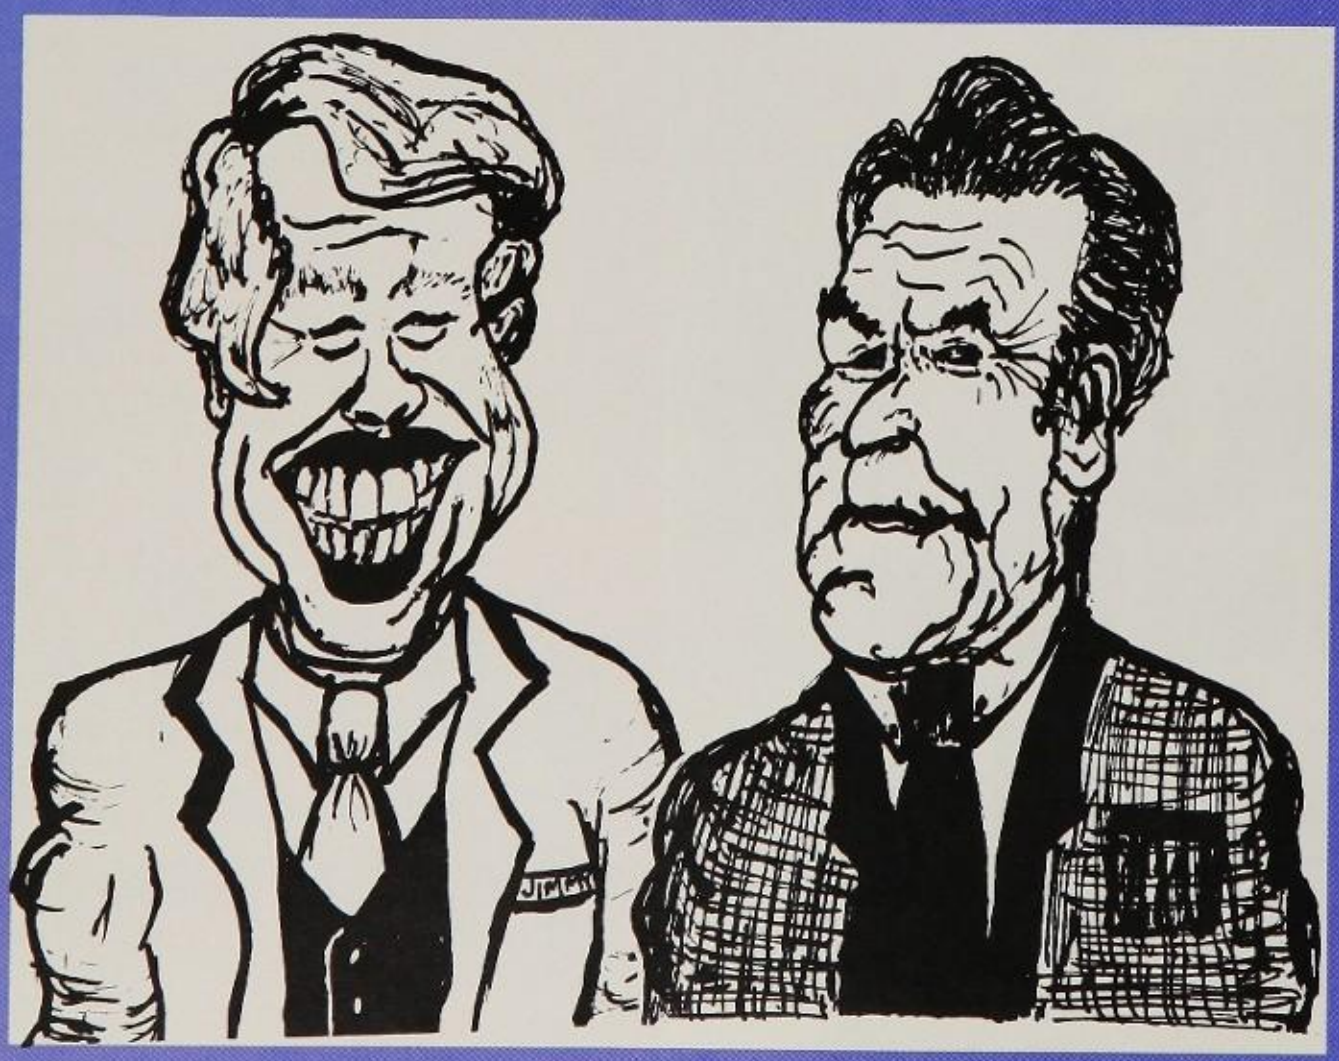
Inflation has taken a firm grip on the United States, with the American dollar's value dropping steadily and gold rising over $800 an ounce and silver following on the rise. Also, the stock market crash of '29 could reoccur.

Furthermore, the price of gasoline has climbed rapidly and has reached one dollar per gallon and higher, which was predicted a year ago, an increase of approximately fifty cents per gallon in one year. Some of the areas of the United States were affected more than others, the price increasing more rapidly among the east and west coasts. Long lines of cars formed at service stations and consumers were limited to odd-even days for purchases. Because of the high gas prices, many people are traveling less, while others are making use of mass transportation rather than driving their cars. Auto industries are changing from large, comfortable gas guzzlers to small economical models, and more and more consumers are thinking along the same line. On November 3, 1979 the United States Embassy in Iran was taken over by Iranian students. Fifty hostages were being held by the Iranians who were protesting the United States Government's giving the exiled Shah medical treatment for cancer. Since then the United States has refused to buy oil from Iran and the Canadian Embassy aided six of our diplomats in escaping from Iran.

With the heat on in the Mid-East, the Russians moved in and made it worse by invading Afghanistan. With the Russians posing a threat of war, the United States threatened to pull out of the 1980 Olympics in Moscow. Now our Olympic hopefuls, along with college men, women and all others age eighteen to twenty-six face the realities of military draft.

The 1980 presidential campaign could prove to be one of the most interesting since Nixon's landslide victory in '72. A heated Democratic race is expected between President Carter and Senator Edward Kennedy. But Kennedy made his mistakes and President Carter took a two to one lead in the opening of the primaries. On the other hand, the Republicans appear to be undecided, wavering between Ronald Reagan and George Bush. A survey taken by RHS students shows they believe Carter will face Reagan in the 1980 election.

What's in store for the future of the American economy? Who will decide the outcome of the current international strife? These questions and many more are yet to be answered as we step into the threshold of the '80's.



1979: AMERICA HELD HOSTAGE

ON GOOD BEHAVIOR

WHAT DID YOU SAY? "SOMETHING'S AFOOT."

Oh, you must mean the spring play that was put on by the Drama Department. I remember it well; I was there. It was held March 19 and 20, 1979, at the Rhinelander High School. Yes, Mr. Bailey, did a marvelous job preparing the cast members, and supervising the building of the set. Oh, you want to hear more about this play? Well, let me tell you! It all took place in a country house on an island. A number of people were invited to a weekend party, and one by one they were murdered through a series of mysterious happenings. This play is a combination of Agatha Christie's novels *And Then There Were None* and *Ten Little Indians.* The cast consisted of: Jeff Ahsinger as Flint; Jerry Moore as Clive; Kay Lepak as Lettie; Karen Heck as Hope Langdon; Brian Radzinski as Dr. Grayburn; Anthony Fortier as Nigel Rancour; Duann Smith as Lady Grace Manley-Prowe; Jeff Kozel as Col. Gillweather; Mary Swenson as Miss Tweed; Conrad Kichefski as Geoffrey; Joel Nickersen as Lord Rancour; and the understudies were Tony Fritz and Pamela Bronk. You really should have been there, everything seemed to be done so professionally!

'SHE STOOPS TO CONQUER' RETURNS TO R.H.S.

On December third and fourth, the R.H.S. stage came alive with the eighteenth century comedy, "She Stoops to Conquer," sometimes called "Mistakes of the Night." This story was written in 1773 by Oliver Goldsmith and was taken from a real life experience.

"She Stoops to Conquer" was no stranger to the R.H.S. stage. It was first performed here fifty-three years ago, in 1926, with the leading roles of Charles Marlow and Kate Hardcastle played by Art Johnson and Chris Bruso, now Mrs. George Craig.

This year opening night came all too soon. The months of preparation and long, hard rehearsals were finally coming to an end. The finishing touches were put on the set, the twenty-four foot turntable was ready to be turned, lines were memorized, and the eighteenth century costumes were ready and waiting. Make-up call was at six o'clock and the curtain went up at eight o'clock.

"Opening nite jitters" and "butterflies in the stomach" accompanied the raising of the curtain. But they quickly disappeared with the warm and positive response from the audience. For two and a half hours the cast and backstage crew gave their all. And after the applause had died down and the curtain had closed, they realized all their hard work was worth it and they looked forward to the spring play..

PROM '79 — A NIGHT TO REMEMBER!

Saturday, May 19th, was the evening everyone had been anticipating. Months upon months had been spent by the Junior Prom Court planning for this magical evening. It took hundreds and hundreds of dollars to make this night possible. Nineteen miles of streamers were used to transform the RHS gymnasium into a glamorous array of pastel colors. Yes, nineteen miles and hours and hours of hard work. For three long nights the Junior class of 1980 participated in making the Prom of 79 a successful one. Pre-Prom parties started off the evening of enjoyment, while everyone looked forward to the long night ahead of them. During the dance, the grand march began with background music performed by FULL SAIL. After the court members were introduced, the royalty for the 1979 year were announced. Scott Johnson and Jayne Hagen were crowned King and Queen by the 1978 royalty, Pat O'Melia and Vicki Otto. By far, one of the most successful proms ever was enjoyed by a record-breaking 178 couples. The 1979 Prom was one evening that will never be forgotten by those who attended.

SOMEWHERE IN THE NIGHT

76

HOMECOMING: TRIUMPH OR TROUBLE?

Within the walls of the Rhinelander High School, Homecoming '79 was a huge success. A new event this year was "Spirit Week." Each day had a different theme which captured the attention of most students and teachers. The October 5th Pep Rally, as usual, was thrilling, fun, and emotional. The 1979 Homecoming Court was introduced and they included Kathy Busko escorted by Mike Dineen, Toni Fritz by Ron VanHarpen, Jayne Hagen by Mike Fritz, Wendy Kovala by Greg Harvey, Jodi Kurilla by Greg Collard, Marcie Lamers by Scott Johnson, and Wendy Simmons by Dan Frasier. Marcie Lamers was chosen Queen by the possession of the yellow rose, with Ron VanHarpen as her king. The king, queen, and court presided over the rest of the Homecoming activities. The Game was also a big success. The Green and White scored a 13-3 win over the Marshfield Tigers! Saturday night, October 6th, the dance was held in the R.H.S. cafeteria decorated by the football cheerleaders. The band "Cold Water," from Green Bay, played the theme song "Long and Winding Road" for the Grand March. It was a record breaking night, as more people attended this year's Homecoming Dance than ever before. However, outside the walls of the Rhinelander High School, egg throwing incidents nearly spoiled a perfect week. Unfortunately, that type of behavior by students may cause traditional events like Homecoming to be a thing of the past.

Back Row: Mike Dineen, Kathy Busko, Mike Fritz, Jayne Hagen, Marcie Lamers, Ron VanHarpen, Wendy Kovala, Greg Harvey, Scott Johnson, Toni Fritz. **Front Row:** Greg Collard, Jody Korilla, Dan Frasier, Wendy Simmons.

GET ROWDY AT RALLIES!

To many students, a pep rally scheduled on a Friday morning may simply mean a break in the rather monotonous schedule of a routine day. To others it may mean a chance to smoke a couple of cigarettes in the smoking area behind the school. But to the majority of students at RHS, it's a time to get rowdy, and for those in athletics it's a time to get deserved recognition and support. The cheerleaders plan and prepare the pep rallies, occasionally arranging skits and special performances. The most successful this year has been the "Kissing Mothers." Nine senior guys were seated at the end of the gym and blindfolded. They were told that each would be kissed by a cheerleader and that they would have to guess who it was. But to the surprise of everyone, all but two of the guys were kissed by their mothers who had entered the gym while their sons were blindfolded. One of the two was kissed by his girlfriend and the other was kissed by his younger sister. The guys were embarrassed and perhaps disappointed but the other students loved it. Another of the favorite skits performed was a '79 Fashion Show of Winter Sleepwear. Several senior guys and a few cheerleaders modeled pajamas owned by one person out of each winter sport. The pajamas and the men's underwear didn't quite fit but it was interesting to say the least!

No pep rally, no matter how well prepared would be a success without the help of the Pep Band. They serve as a great spirit booster, as the students sway and polka to the music they provide.

Students participating in the pep rallies may find them quite enjoyable and rather refreshing after a long week of school, but it is also important that the school gives its athletes total support and backing.

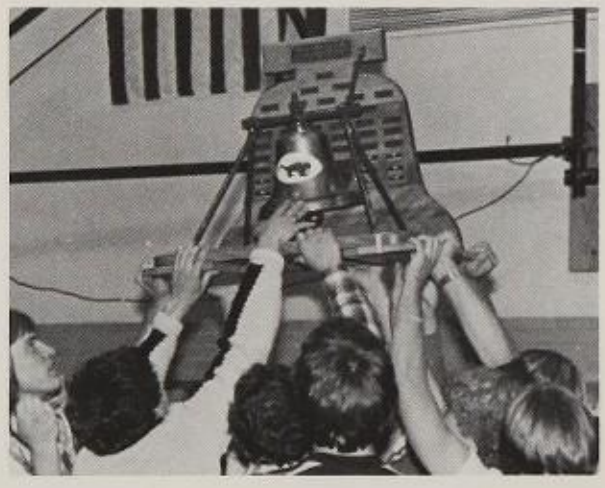
A VICTORY TO BE REMEMBERED AS BELL COMES HOME

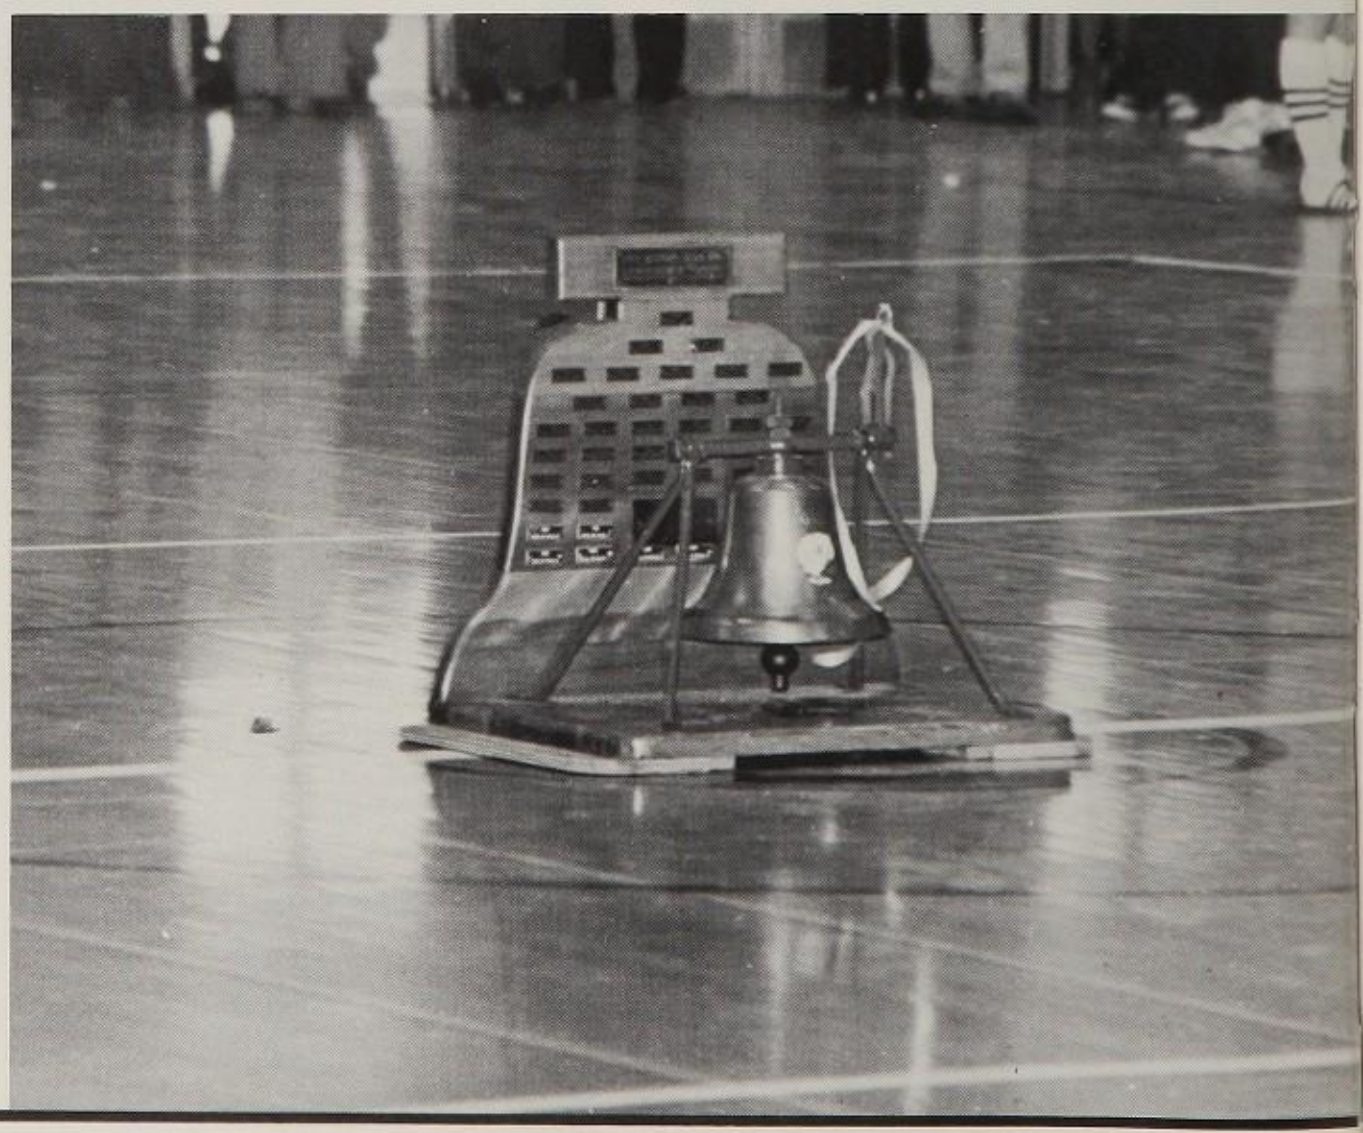
Friday, October 19, 1979 will be a day that 28 seniors on the Hodag varsity football team will remember for a long, long time. It was that night that Rhinelander beat Antigo 14-0 to capture the coveted bell. The game had many exciting moments packed into its 48 minutes.

On our first possession we looked unstoppable. Greg Collard and Jeff Stay ripped off huge chunks of real estate as the Hodags marched towards the goal line. A penalty set the big green back, but on a third down play Greg Harvey faded back and threw a 40-yard scoring strike to Dan Gillis and the Hodags were up 7-0 following Mike Kuczmarski's extra point kick.

The rest of the half was a defensive battle as both the Hodag's and the Red Robin's defensive squads played extremely tough. At halftime we led 7-0, but the players felt they should have done more.

Both teams came out fired up for the second half. Once we got the ball it took us just 3 plays to score. After two short gains on runs, Jeff Stay took off around the left end and was gone for a 53 yard TD run. Now Rhinelander was up 14-0. The third and fourth quarters again were a defensive battle. The rough Hodags prevailed though, giving up just 23 yards throughout the game. The clock began to tick down and the fans began their cheer of "We got the Bell." Finally the gun went off and the celebration started. A celebration that may never end.





'79 DISASTER A SUCCESS

On September 27, fifty members of the senior class participated in a simulated disaster staged at the Rhinelander Paper Mill. The volunteers, posing as the victims of an airplane crash, met at the mill two hours before the simulated disaster was to begin. To prepare for their role in the drill, the volunteers were made to look like real victims with the help of fake wounds and red paint. The stage was then set when the victims were scattered throughout three large rooms in the mi At 8:15 the simulation began and all emergency units responded at once. The fire department, police department, and ambulance service participated in the event as they would have in a real disaster. The victims were brought to the hospital and the staff took over from there.

The disaster was planned by the Division of Emergency Government, headed by Dennis Harpe This event made it possible to observe all units that were participants, and to detect any inefficiencies.

The disaster was a success, and for those seniors that took part in it, it was a real experience.

AN EVENING OF HOLIDAY MUSIC

This year's Christmas Concert was held December Seventeenth, Nineteen Seventy-Nine at Seven-Thirty P.M. A full crowd gathered in the auditorium to enjoy the festive songs and music of the holiday season.

Many weeks of preparation went into making the performance a success. Appearances were made by the Ninth Grade Band, Glee Club, Symphonic Band, Concert chorus, and Concert Band. Terry Oxley and Herman Sorgatz were the band directors with Miriam Steiner helping as instrumental intern. Robert Gentile directed the two choruses. The evening certainly helped bring out the Christmas Spirit in all who attended.

NEW ACTIVITIES DIRECTOR TAKES CHARGE

George Plamann is our new Activities Director this year. He replaced Norman Amonson who retired last year.

In past years Plamann held the position of curriculum coordinator. He did this for 11 years. Two of Plamann's college years were spent majoring in physical education. During college he planned on coaching later in life. This background and knowledge makes him qualified for his job as Activities Director.

His job includes preparing for the home meets of all athletic sports, as well as Debate, and Forensics. He deals with any awards that are given out. Plamann is also the man to see if you are in need of new equipment.

He says he loves his job and feels this is where he belongs.

KEEPING THE PLACE IN CUSTODY . . .

KITCHEN HELP CONTINUOUSLY COOKING

Staff Includes: Julie O'Malley, Marie Young, Stella Joslin, Mary Goulee, Sandy Bouffiou, Behula Lang, Margie Quackenbush, Vernette Peterson, Sue Schroeder, Gladys Wiederhoieft, Sue Summons, Raeburn Bushe. Missing are Lucille Steadman and Stella Kotz.

JANITORS CONSTANTLY CLEANING

Custodians are: Mel Christofferson, Dan Fava, Tom Reismann, Roger Novak, and missing is Dan Fuller.

Cleaning Ladies are: Ruth Christofferson, Diane Cloutier, Bonnie Hale, and Lucille Kallio.

Matrons are: Trudy Jenkin, Shirley Dorion, Caroline Desch, and Shirley Frisque.

If you have had troubles with your locker and looked for Pete, chances are you didn't find him this year. There are many new faces at R.H.S. and one is that of the new head custodian, Mr. Mel Christofferson.

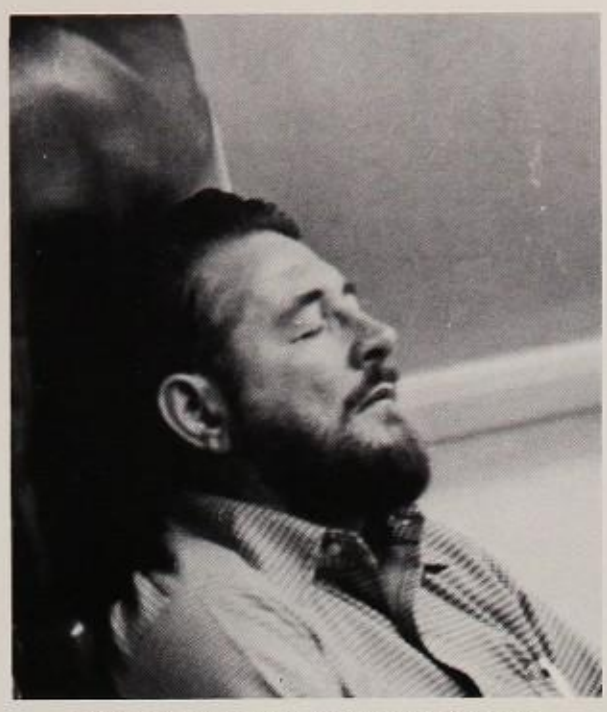
NEW MAN IN CHARGE

He has been a custodian since 1966 in several schools in Wisconsin. Before coming to our school Christofferson was head custodian at German Town High School.

Christofferson believes his hardest job at R.H.S. is to make sure everything is working well. His job includes mopping and waxing floors. Changing light bulbs and making sure the pool and boiler are in good condition.

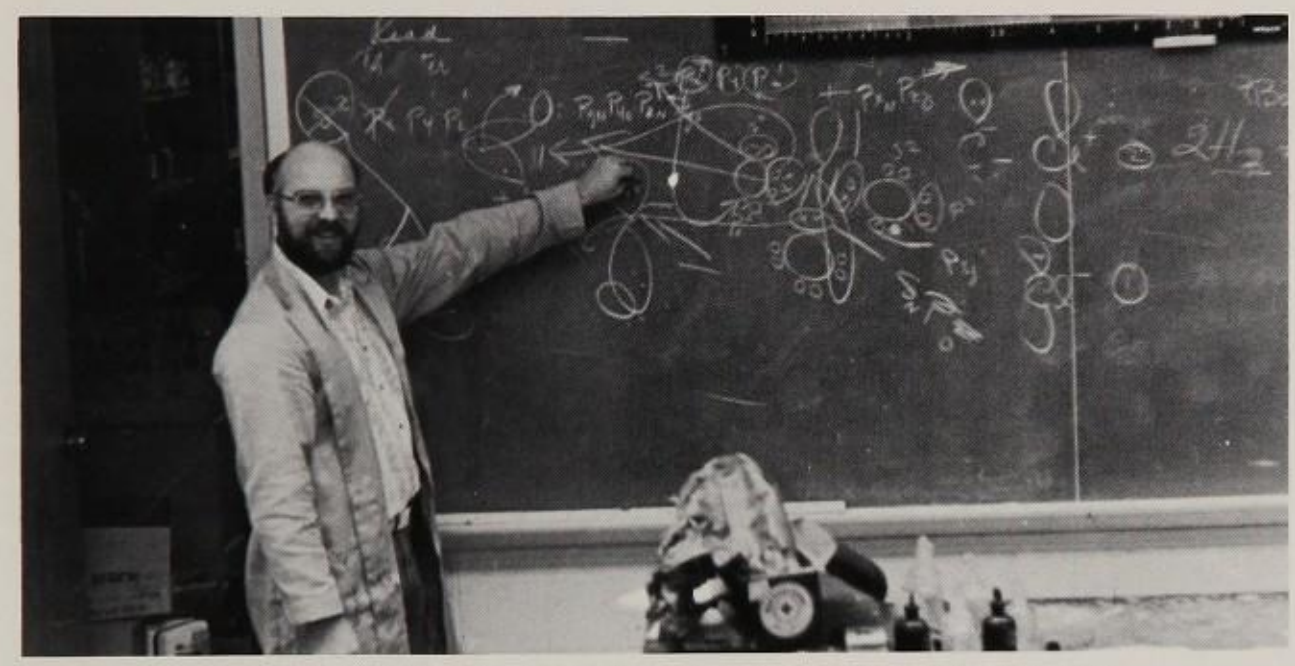
Christofferson says the students are well behaved and he is impressed with R.H.S.

Ooh, a dart through my heart!



Boy it feels good to get a little shut-eye.

Ready or not I'm coming through.



Do you really want me to show you how to get from Rhinelander to Antigo?

THAT, definitely deserves a hand.

Hey, you can't catch me off guard like this!

PARO-LEE'S — SENIORS

Some things stand out among all the rest, and so it was with the class of 1980. As we walked out the doors of R.H.S. for the last time and went our separate ways into that big world outside, as we said those painful good-byes to our closest friends, we realized that we have some of the finest memories anyone could ever ask for.

HODAGS HEAT THE GRIDIRON

With the return of twenty-one letterwinners, the varsity football squad had a successful year, despite losing its first two games. Out of the next six games straight, four of them were shut-outs. The final game the Hodags lost to the second rated team in the state, Merrill.

This year's awards went to Bob Weight for Most Valuable Defensive Lineman; Most Valuable Offensive Lineman was achieved by Mitch Ives; Most Valuable Offensive Back went to Greg Collard; Most Valuable Defensive Back was awarded to Dennis Herun, and Most Improved Player was Mike Kuczmarski. The Most Valuable Player Award was given to the whole team because that is what it took to have a successful year, as represented by its 6-3 record.

HODAG MILERS HAVE NEW LOOK

The Hodag Boys' Cross Country team had a new face around the track this year. Head coach, Mr. Kuhlmann, who was the previous coach for many years, was replaced by Mr. John Heise. Mr. Heise himself was a former Hodag Cross Country runner and track star. He graduated in 1975 and set numerous varsity records.

Heise had his team putting in a lot of miles, running up to eight miles at night, they would run a series 220 yard dashes. The team really improved a lot compared to the year before. They placed a respectable 5th at conference and also a 5th place at sectionals.

Coach Heise is looking forward to next season when he will have had a year of coaching experience tucked under his belt.

Members of the Boys' Cross Country Track Team are: Back Row: Ron Van Harpen, Dan Fraiser, Tim Henk, Bob Heise, Tom Riddle, Cory Nehls, Jim Ridinger, Scott Bennet.

GIRLS X-COUNTRY WORKS HARDER THAN EVER

Like all years in the past, practices were long and hard for the RHS Girls' cross country team, working on both distance and sprints to increase endurance and speed. Whether they won or lost, there was always a sense of accomplishment after finishing the tough two-mile courses. Coach George Baksic awarded Lisa Nienstaedt the title of most valuable for the 1979 season, while Theresa Eckstrom was named most improved.

VOLLEYBALLERS SPIKE WINS

RHS girls Volleyball placed second in the Lakeland Invitational this past Fall. It was a tough game, but they did well.

RHS has three volleyball teams, the freshman team, junior varsity, and varsity team. Volleyball is coached by Mrs. Federle. The team had four wins and also four losses in conference play. In all games, they had a 7 and 5 record overall. Besides placing second in the Lakeland Invitational, the girls also placed third in the Hodag Invitational. There wasn't a large number of spectators at these games last Fall, and perhaps a larger turn out of spectators would mean more wins. Let's see more spectators at the Volleyball games next Fall.

NETTERS CONTINUE WINNING WAYS

Last year, after three players graduated, girls tennis coach Mrs. Wendt stated that for the 1979 season she would be counting on Jodi Kurilla and a host of JV's to fill vital positions. The girls did just that by compiling a respectable 5-3 record. They took third in their own Hodag Invitational and also placed third in conference and in dual meets. The number one doubles team of Jodi Kurilla and Kathy Grant did quite well throughout the season. They finished second at the conference meet and also competed in tournament action. Jodi and Kathy

NETTERS IN A DILEMMA

Success was not the story for the boys' tennis team coming away with only two victories and seven losses for the season. A late spring and a loss of six returning letterwinners put the team at somewhat of a disadvantage. Leading the attack for the Hodags were Gary Fisher and Greg Schilleman who played 5th and 6th man last year. This last season the team awarded Tom DeByle The Kit Nienstaddt Memorial Award. This award is given each year to the person that shows the most determination and desire. Coach Scandin is looking forward to having a great 1980 season with most of his team returning next year.

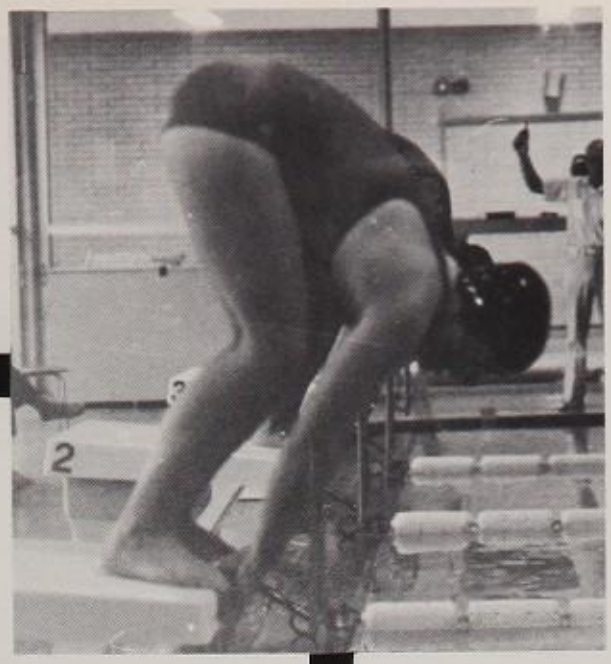
HODAGS WILL MISS COACH JENSEN

"This is the hardest working, most improving team I have ever coached." This remark, made by head swimming coach Mr. Jensen, is nothing to take lightly. For in the ten year history of the Wisconsin Valley, Mr. Jensen's swimming teams have taken the conference title nine times. Although this years team is not as strong as in years past, the swimmers went all out at every meet.

After twelve years of coaching the Hodag swimmers, this was Mr. Jensen's final year. He has established a record at R.H.S. that is unlikely ever to be surpassed. A record of over one hundred wins, nine Wisconsin Valley titles, eleven sectional championships and eleven teams that went to state, seven of them placed in the top ten, with the highest placing teams being the 1970 and 1973 teams, both finishing third.

Although losing a head coach and two Senior members, the Hodags can be looking forward to a better year with more experience under their swim cap.



GIRLS STROKE TO STATE

Boasting a 6-1-1 record, a first place team finish at the conference and sectional meets and a 14th place team finish at the state meet, head coach Mrs. Hannaford had good reason to call this year's team the best she has ever coached.

The 14th team placement at state was the highest finish for the Hodag swimmers in its ten year history. Highest individual honors at state went to Karen Burton, who placed second in the 200 yd. individual medley relay, and third in the 500 yd. freestyle. Michelle DeWitt also placed 20th overall in the diving competition.

Mrs. Hannaford will lose five valuable seniors to graduation this year, but is still looking forward to a good season next year with a strong team of underclassmen returning.

Members of the Girls' Swim Team Are: Bottom Row: Stacy Dahlquist, Mary Ann Mraz, Daren DeWitt, Lorrie Ritchie, Louri Schoppe, Jeri Krause, and Dawn Everson. **Second Row:** Greta Peters, Mary Blonski, Lynn Kickson, Tammy Ligman, Kelley Cline, Karen Kubiak, Becky McKenzie, and Sue Scott. **3rd Row:** Jane Bloom, Renee Swedberg, Cathy Snyder, Manny Dorion, and Pam Weight. **4th Row:** Kathy O'Connell, Michelle DeWitt, Michelle DeBrock, Karen Burton, **Managers:** Patti Kriesel, Doris Pryne.

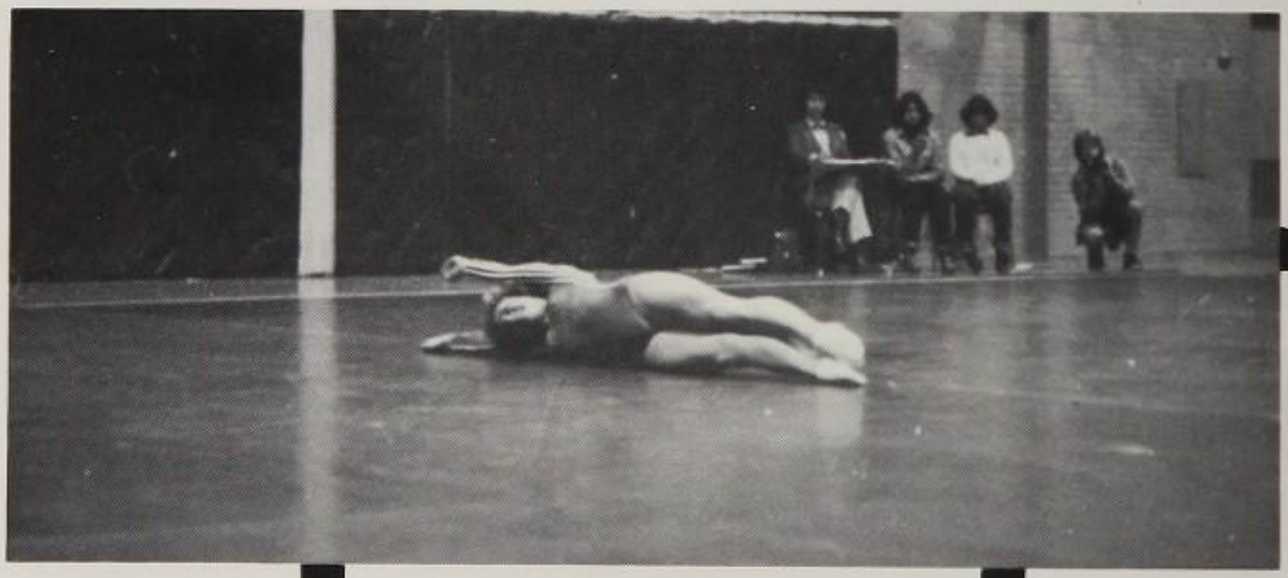
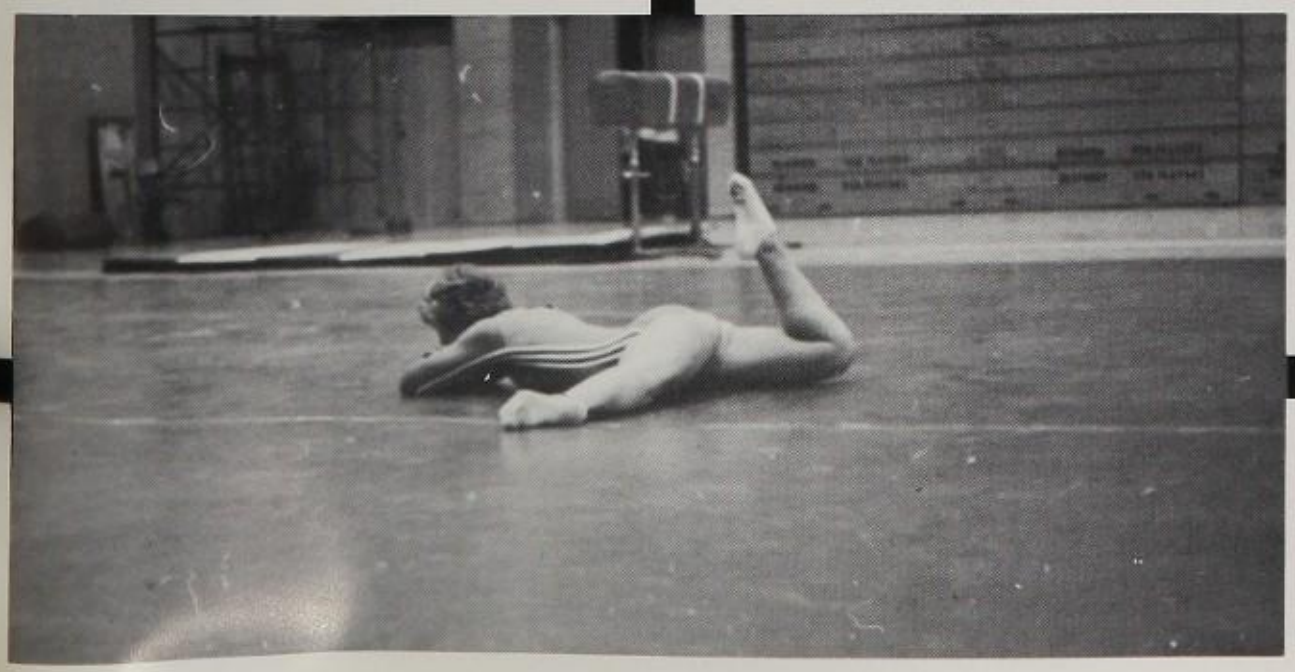
GYMNASTS SEEK THIRD TRIP TO STATE

After two straight trips to the state meet, the Hodag girls gymnastics team may find this year's road to Madison a lot bumpier. With only two seniors on the team, Coach Carole Greshik feels that senior leadership will be lacking. The seniors on this year's team are Audrey Bruyette and Michelle DeWitt. Coach Greshik on the other hand will have a strong contingent of underclassmen to work with. The Hodags improved from meet to meet this year as they captured a second place finish in the Wisconsin Rapids Invitational, a meet that was won by Rapids who along with Stevens Point are considered to contend for the top five in the conference this year.

As mentioned, Greshik has many fine underclassmen among the ranks of her team. Joyce Oravecz and Val Smith are two Hodag Juniors who are expected to do well this year. Smith qualified for both the uneven bars and vault competition at state.



Members of the 1979-80 J.V. Gymnastics Team: Jolene Bruyette, Angie Langlois, Kim Zuiker, Annette Pazdernik, Debbie Bixby, Sue Dootson, Beth Fahrenbach, Sue Dahl, Kim Huber.

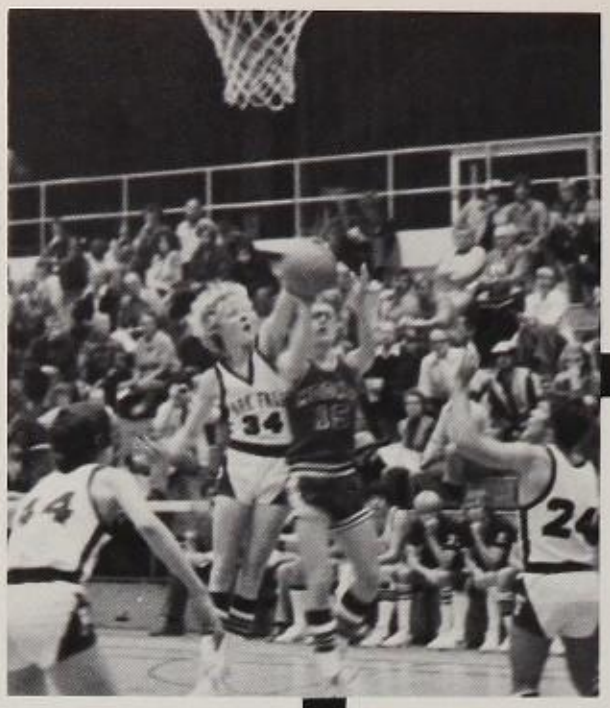


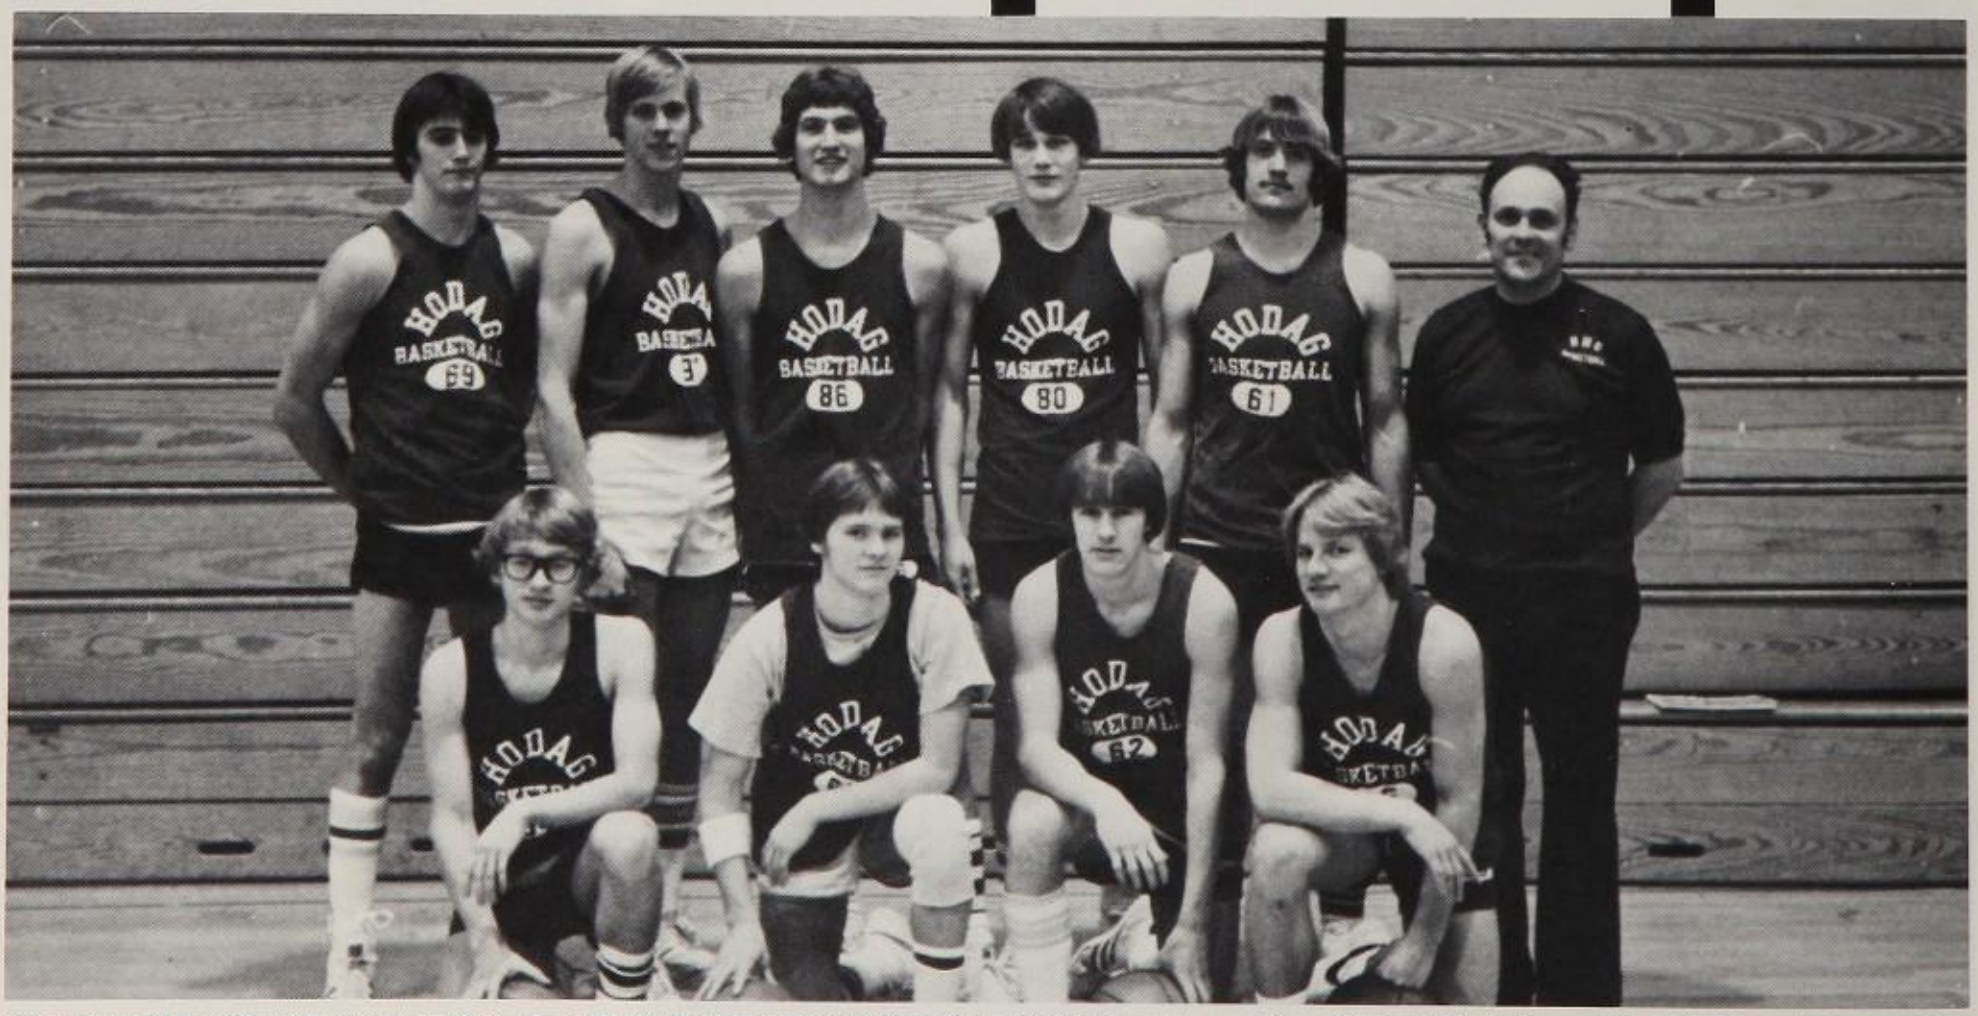
HODAGS TAKE THEM TO THE COURTS

Coach Fiore has been coaching for the past eighteen years and has been the Hodag coach for the last four years. With the return of many experienced letter winners from last year, Fiore is looking for a team effort with a season of five hundred or better.

With many tough teams this year, coaches in the conference expect no team to go undefeated by the end of the season. The first placed team is expected to have two or three losses.

Because of the speed and quickness of his team, Fiore hoped they would place in the top four in the conference. The expected powerhouses in the conference this year were St. Point, Wausau East and West, Merrill, and Wis. Rapids.





Members of the Boys' Basketball team Are: Front Row: Ted Franti, Ken Fiore, Scott Johnson, and Greg Collard. **Back Row:** Mike Fritz, Dennis Herum, Dan Gillis, Dave Snyder, Bruce Kramer, and Coach Fiore. Missing from photo is Scott Luetgers.

GIRLS DRIBBLE TO VICTORY

Having been in existence now for five years, the R.H.S. Girls' Basketball team looks as if they will have a bright future. The program has already extended down to the fifth grade and Coach Nancy Fededle is looking forward to strong teams in years to come.

The Varsity team had a very good season due to four returning letter winners from last year. Jodi Kurilla, Kathy Fisher, Jill Bishop and Tammy Wolfe formed a strong nucleus for the team. Although they have been hampered by injury, the R.H.S. girls were still in the running for the 1979-80 season.

The team has done well in past years also. Let's not forget the excitement that was felt when our team went to state last year. It took a lot of dedication and hard work, but you can bet that everyone of those girls felt it was worth it.

The J.V. team was very young for the 1979-80 season. The team consisted mostly of sophomores and was under the direction of former team member and graduate, Patty Berg.

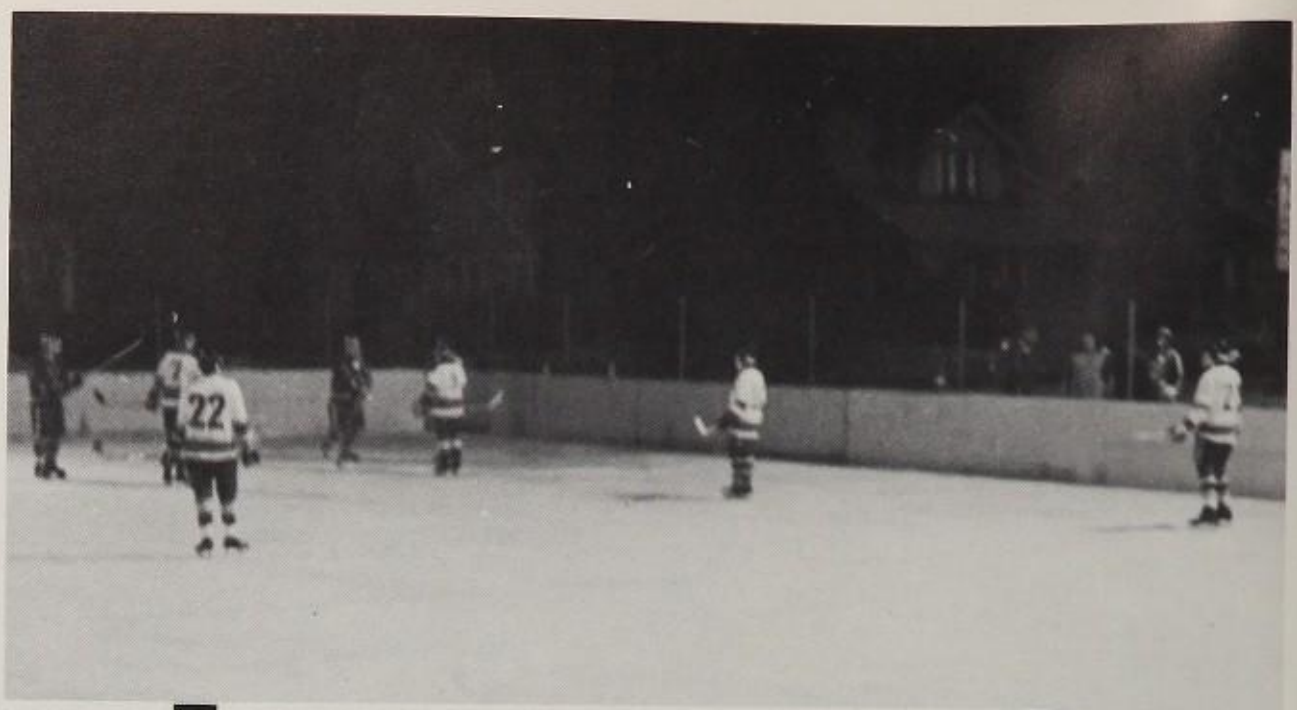
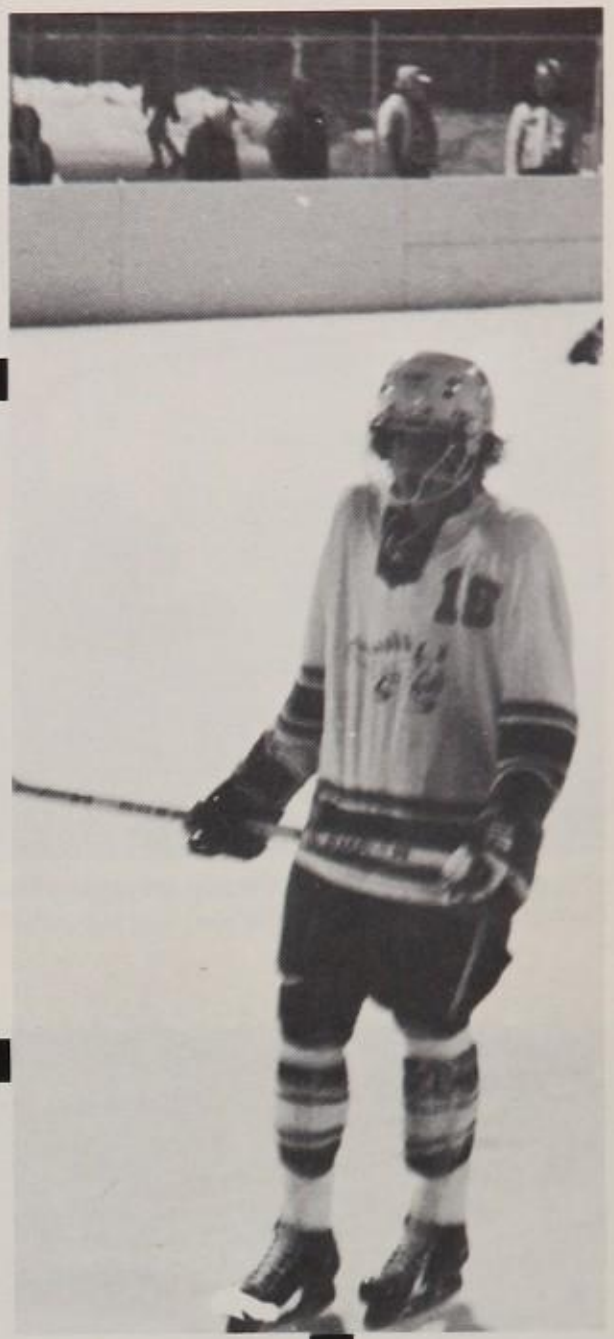
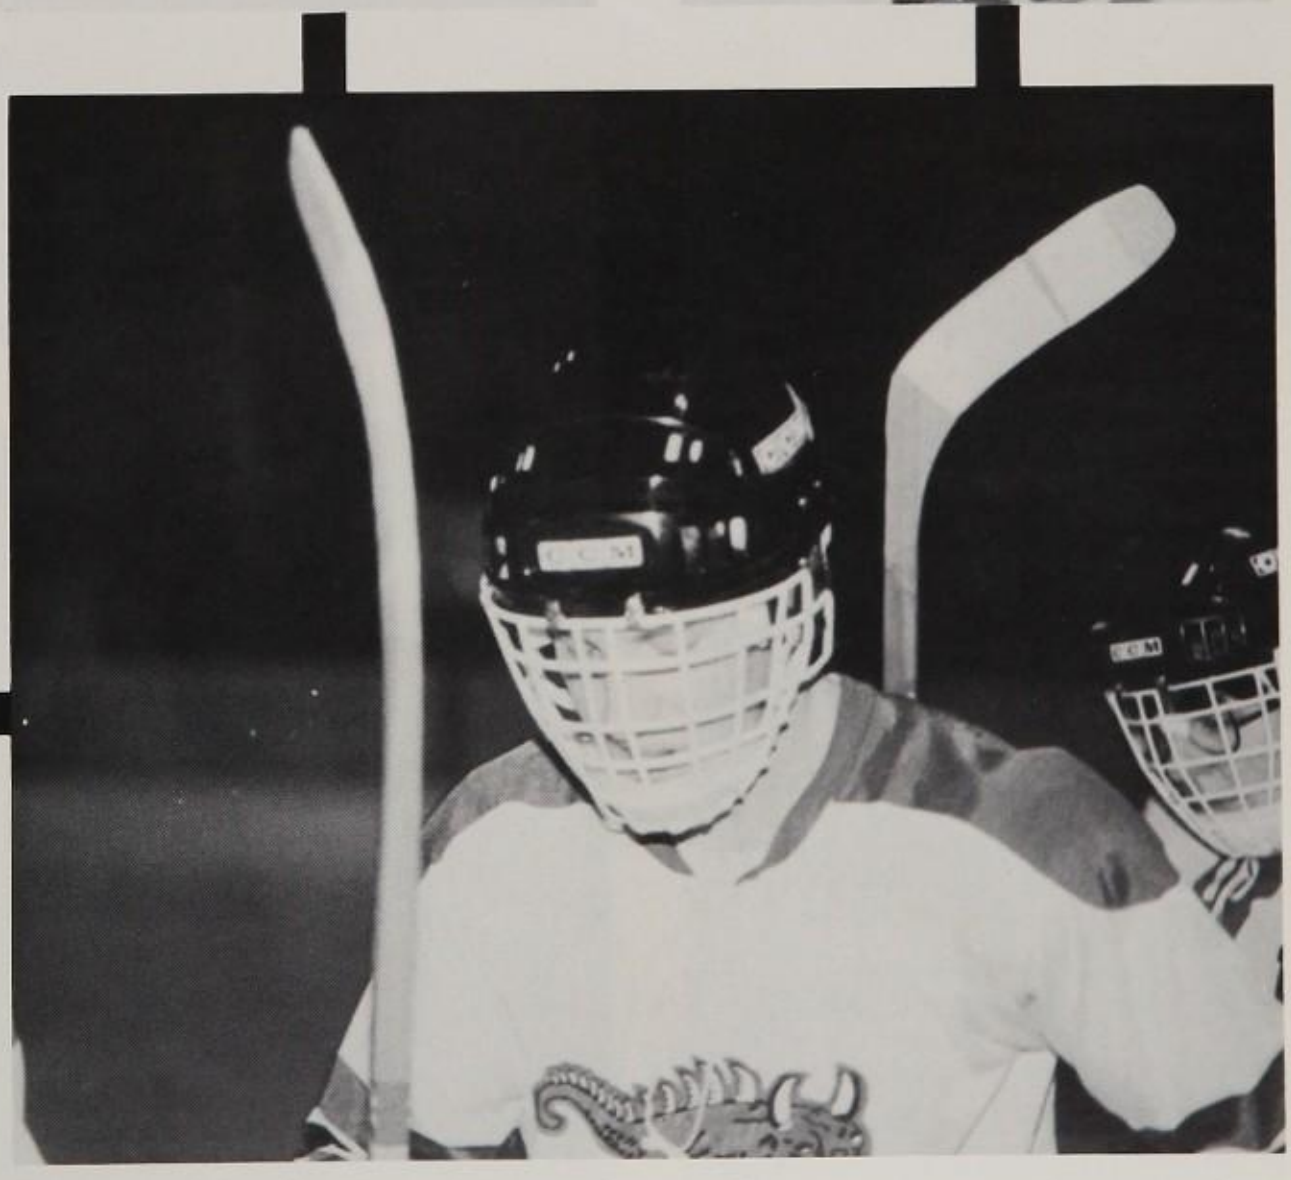
HODAG BLADERS TAKE TO THE ICE

The Hodag Hockey team, under the direction of head coach Mr. Panchyshyn, looked forward to a good season with many quality players returning. Mr. Panchyshyn replaced coach Mentink who resigned as of last season. The strength of the team rested on the shoulders of senior letter winners Chuck Quade, Dennis Hooker, Brit Bromann and Steve McKenzie. With a new coach and the weather cooperating, the Icemen are looking forward to having their most exciting year. The team is at somewhat of a disadvantage compared to other teams in the valley. Rhinelander and Tomahawk are the only two teams in the state that have outdoor ice. When other teams beat the Hodags by 8 goals or more, just remember, they have three times as much ice time in a single season. Without an indoor rink the future of the R.H.S. Hockey team looks pretty grim.

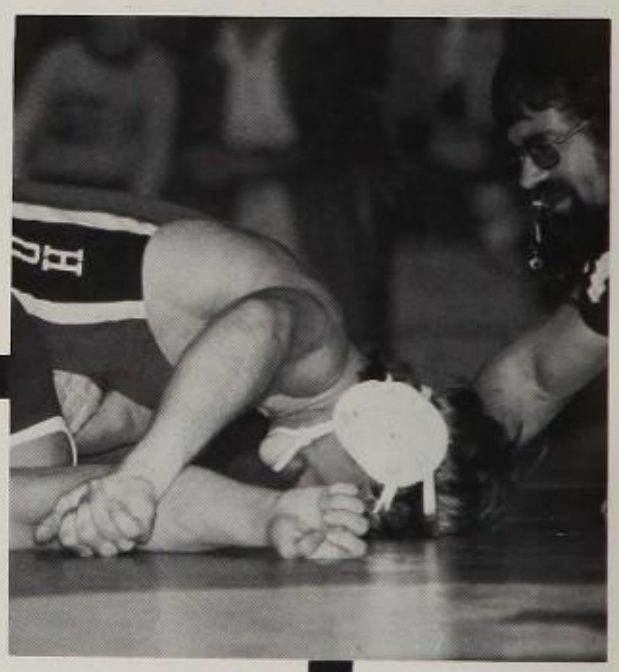


Members of the Hockey Team Are: Mark Schauder, Greg Herfindahl, Ron Wiedeman, Paul Hodiewicz, Mark Vandervest, Mike Vandervest, Pat Kuczmarski, Tom Pohnl, Ray Shepherd, Steve McKenzie, Bill Bromann, Chuck Quade, Dennis Hooker, Phil Frasier, and Dan Frasier.





Members of the 1979-80 Varsity Wrestling Team Are: Tom Stephans, Russ Nelson, Paul Knauf, Tom Jensen, Al Marquardt, Troy Colby, Scott Bixby, Dave DeWitt, Brian Colby, Chris Gilman, Karl Marquardt.

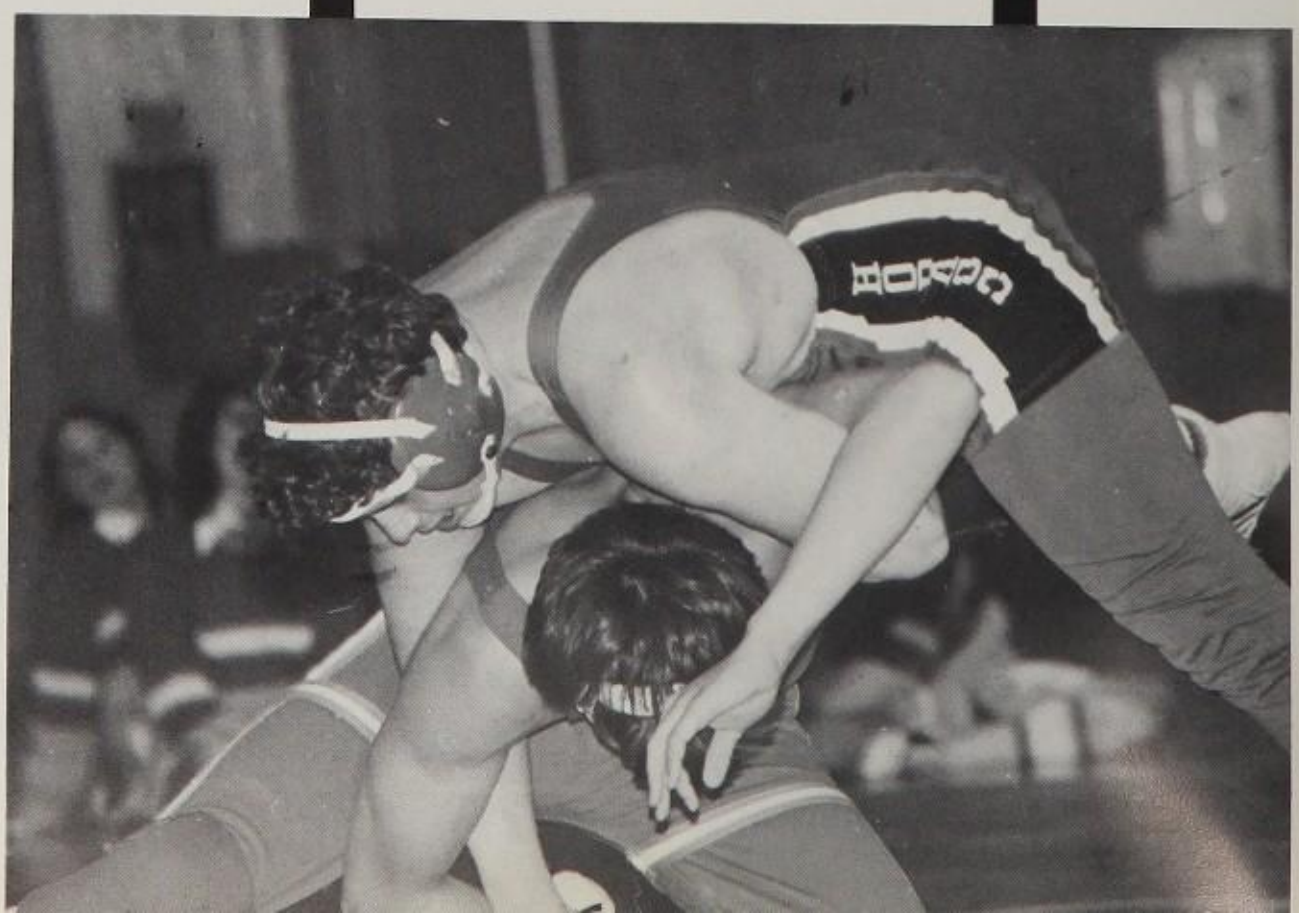


WRESTLING TEAM SHOWS SUCCESS

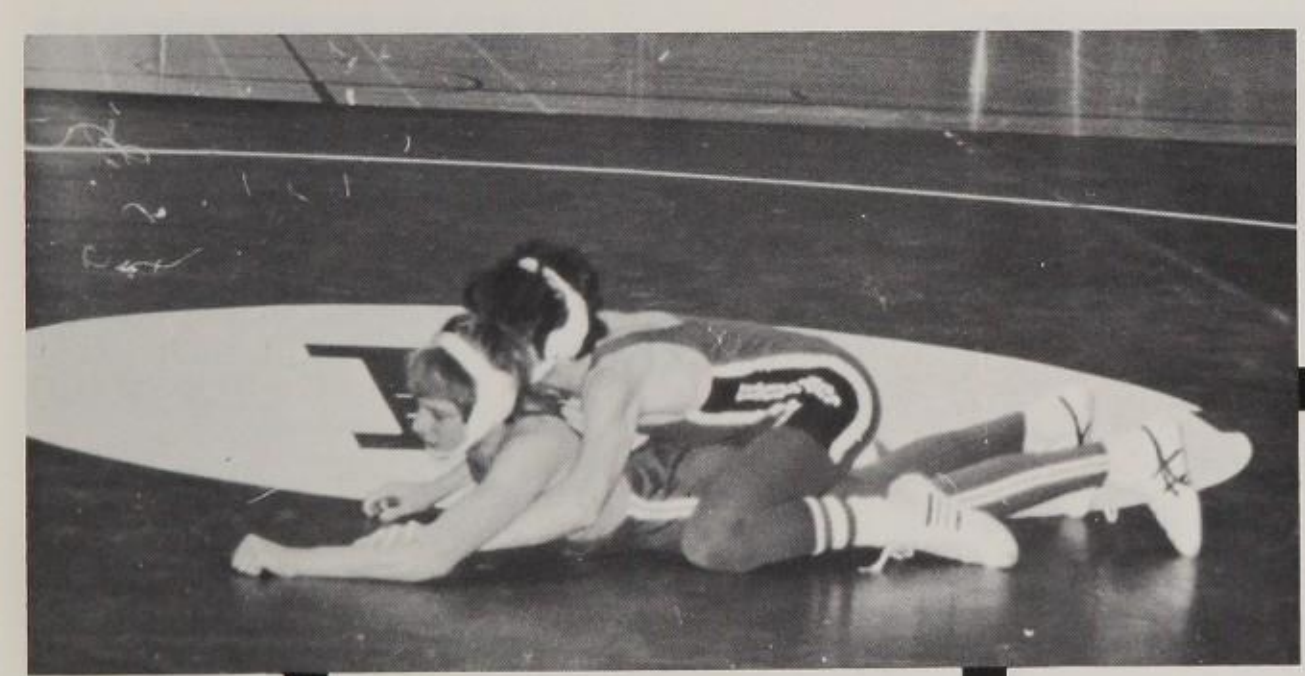
The Hodag Wrestling team, coached by Mr. Amstad provided wrestling fans with loads of thrills this past winter. Amstad worked his boys hard in practice and it paid off good dividends as the Hodags placed third in the Hodag Invitational and third in the Ladysmith Invitational.

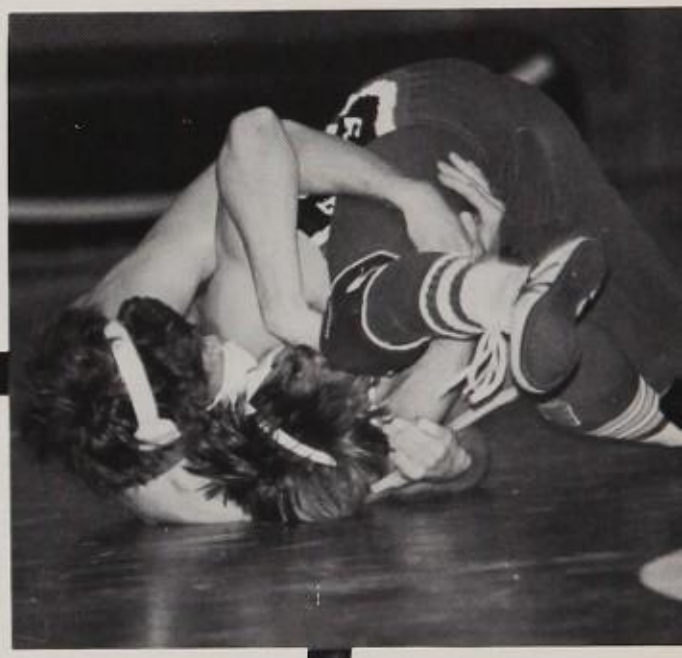
Karl Marquardt, Troy Colby, Brian Colby, Al Marquardt, and Tom Jensen all turned in very respectable records for the Hodags. The Hodags also showed that they were able to stand up to many of the league powerhouses for the first time in many years.

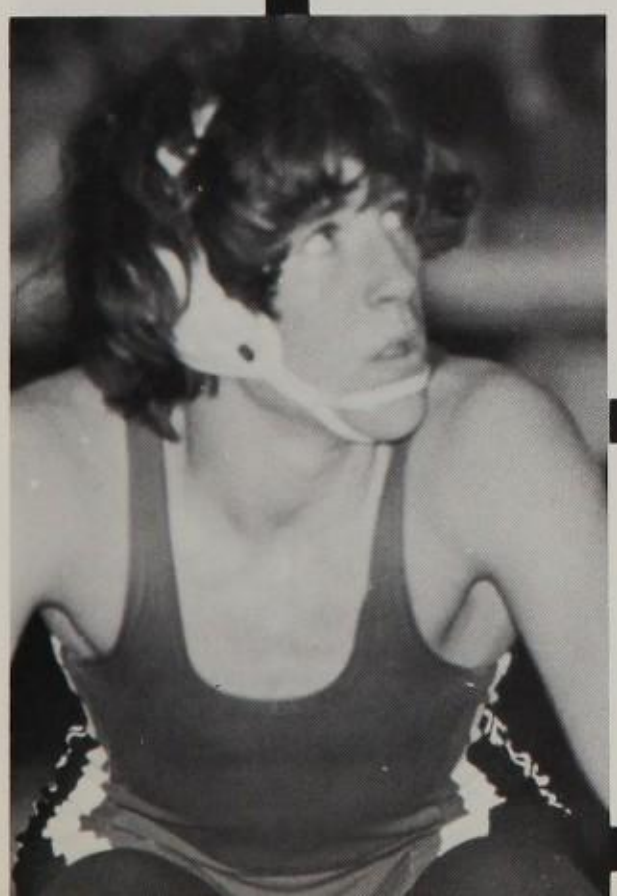
The success of this year's team plus a good feeder system at the junior high level, gives wrestling fans a chance to come and see exciting matches for many years to come.

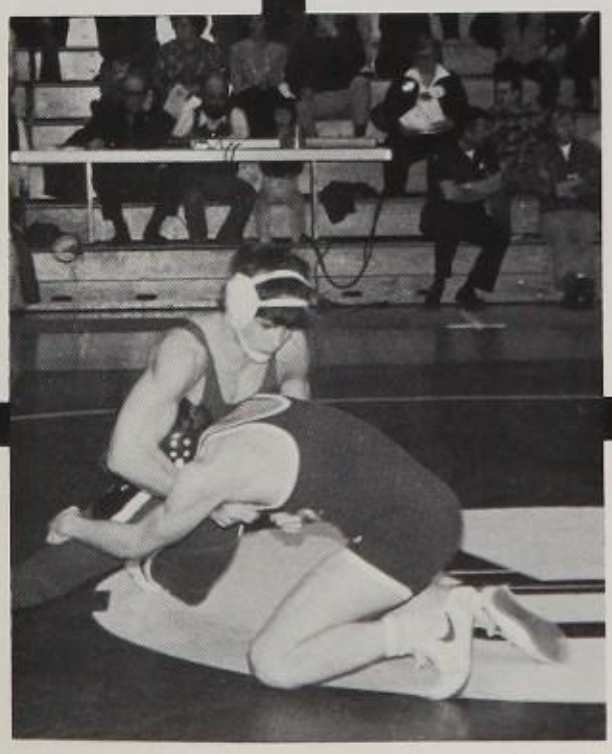


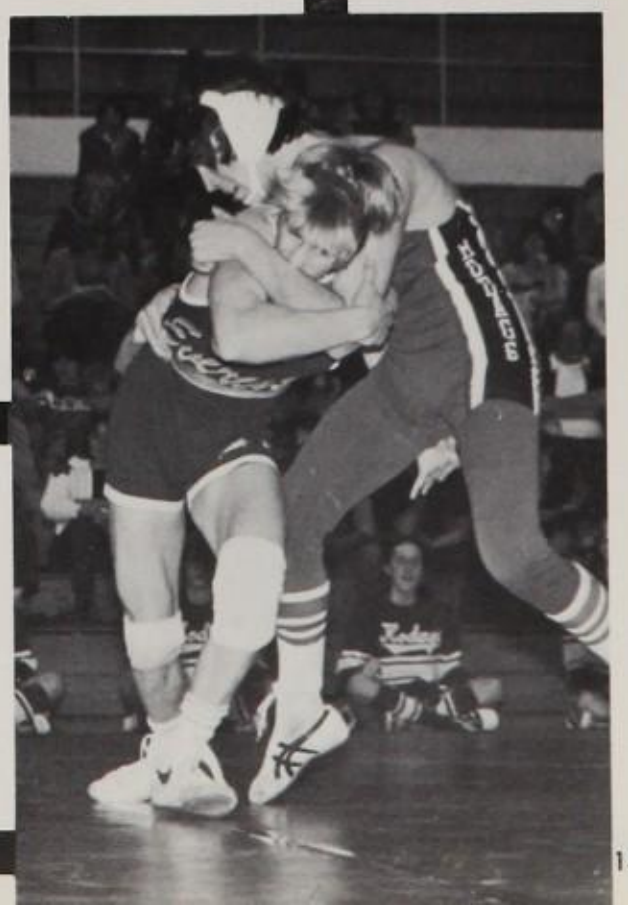
Members of the 1979-80 J.V. Wrestling Team Are: Dave Zimmer, Glen Herman, Chip Limberg, Dave Stafford, Troy Stauffer, Mike Horne, Denny Polinski, Marty Matthews, Al Pascutti, Randy Culton, Robin Rueckert.











Members of the Boys Ski Team Are: Timothy Lambele, Micheal, Tom Schneider, Eric Wahlstrom, Shane Arneson, Bart Musil, Jim Schoenberger, Eric Eggman, Daniel Peterich, Laurence McGuire, Timothy Koenig, Todd Bessy, Greg McGuire, Jeff Parker, Tom Bernsteen.

SKI TEAM HITS THE SLOPES

The boys and girls ski teams were ready to hit the slopes with their new coach Mr. Scheider. Scheider, a volunteer coach, hoped the team would have a good year. With some returning winners, they had the experience needed to back a good team. The tough teams the Hodags had to face were Wausau East and Wausau West, and also Bayfield. Because of the late snow last December, the ski teams got off to a late start. As a result, the team spent many hours getting in shape and working on their technique.

Members of the Girls Ski Team Are: Michelle DeNoble, Amy Leschke, Cory Moritz, Kathleen Miller, Diana McGuire, Karalyn Lepak, Greta Peters, Karen Miller, Katherine Kaulum.

GIRLS CHALK UP RECORDS

The girls' track season runs from mid February to June 1st. In the 1979 season, Mrs. Bigley was very proud to say two people went to state. Lisa Nienstaedt placed 5th in the mile and also ran in the 2 mile. Penny Sadnick also competed in the 880 yd run at the State meet.

There were 55 girls on the track team during the 1979 season. The girls have indoor meets until mid-April, when most of the others become outdoor. The events include sprint and distant runs, relay runs, shot put and discus throws, and the long and high jump. In these events, there were five records broken. Robin Ives topped the shot put and discus throws. Penny Sadnick broke the 880 time while Lisa Nienstaedt broke the mile and the 2 mile runs.

HODAG TRACK TEAM EARNS RESPECTABILITY

Coach Brian Kuhlman directed his team to a 6th place finish in the conference this past spring. Coach Kuhlman has since moved on to Utah to coach at another high school in that state. Kuhlman, affectionately known as "Coot" will be missed by many at R.H.S.

Although a losing season was the story last year there were two very bright spots on the team. Dave Dart, a sophomore, was fantastic at the high jump as he broke a school record by leaping 6 feet 4 inches while competing at the conference meet. Dave also went on to place second at regionals.

Tom Stephens had a simply outstanding year at the shotput. He won the conference championship with a toss of 50 feet 11 inches. He then went to regionals and won there also with a throw of 54 feet 1 inch, a personal record for him. A chuck of 53 feet 8 inches at sectionals gave him a berth at State. Tom finished 8th at State but hopes to win it next year.

Next year is something the whole team is looking forward to as many strong seniors and fine upper classmen will return.

HURLERS TOUGH AT HOME PLATE

Boasting a four win, no loss record at home, prompted baseball head coach Mr. Foltz to call the season of 79 "an excellent year." The Hodags, who played tough all season, finished at the 8-5 mark and placed third in the Valley. In tournament play the Hodags beat Antigo in the first round 6-1, but lost to D.C. Everest in the second round, 4-2.

The season for the players lasts from mid March to the end of the school year. And with seven returning lettermen, the season next year could also be an excellent one.

GIRLS SOFTBALL HAS THIRD SUCCESSFUL SEASON

The girls' softball team finished a third season with an excellent 12-4 record. Kathy Fischer had the highest batting average of the season with 627.

This was the first year for a JV team to exist and Sherri McCarty, former team member, served as their coach. Experience will help these girls replace graduating varsity members. The JV's finished the season with a 5-4 record.

Miss Greshik and Mr. Richards were once again coaches for the varsity team. Head coach Greshik feels that "Despite certain circumstances, with the snowy weather and other unfortunate incidents, the season was quite satisfactory."

GOLFERS UP TO PAR

The Hodag golfers coached by Mr. Ditter took to the links again this year in March. They practiced at the Rhinelander Country Club and also held their home meets there. Scott Cirilli a senior, was named most valuable player and went to the state meet. The golfers were a strong team this year and finished in 5th place in the Valley Conference.

CHEERLEADERS BRING SPIRITTO R.H.S.

The 1979 fall cheerleaders had another active year. The girls kept busy planning Parents Night, Homecoming Dance, and decorating the halls and team room before big games. They were also responsible for planning the activities for pep rallies.

Being a cheerleader is not as easy as it may seem. They must maintain a 2.0 grade average and attend a Monday morning meeting, a Wednesday practice, and a 7:00 practice on mornings before the pep rallies. They also have a specific constitution to follow and are allowed only two demerits. The girls worked hard raising money by selling candy bars, pompoms and candles to buy their shoes and socks.

No matter how cold the weather, the cheerleaders were always on hand, raising spirit and cheering our team on. Ms. Vick-Martini, the cheerleading advisor, was very pleased with the squads' dependability and feels that her senior squad is the best she has seen in years.

Freshman Basketball Cheerleaders Are as Follows: Jolene Bruyette, Mary Taylor, Jayne Czajkowski, Dana Colby, Bobbie Jo Mess, Katie Gwidt, and Lori Stephan.

J.V. Basketball Cheerleaders Are: Lisa Cadwell, Lyn Fiore, Debby Gaber, Barb Kuehn, Mary Jo Swearingen, Jeanne Hall, Cindy Kucharski.

Varsity Basketball Cheerleaders Are: Kathy Busko, Nancy Fixmer, Amy Wallace, Wendy Kovala, Gena Hall, Audrey Bruyette, Lona Nixon, and Penny Sagnick.

Wrestling Cheerleaders: Julie Wyland, Marcie Lamers, Carol Vandervest, Karalyn Lepak, Natalie Rivard, Debbie Rueckert, Rita Schauder.

CHEERLEADERS CHEER PLAYERS ON TO VICTORY

The 1979-80 winter cheerleaders were very active this year in planning pep rallies and promoting school spirit. They began their season early in November to become familiar with new girls on the squads and different types of cheers.

Meetings were held every Monday morning at 7:30, Wednesday at 5:30, and 7:00 a.m. on mornings before pep rallies. The girls had to maintain a 2.0 grade point average and were only allowed 3 demerits. The wrestling cheerleaders experienced something new this year. A spectator bus was used to take fans to away meets. The cheerleaders felt this was a real spirit booster.

With the help of enthusiastic fans the cheerleaders thought it was a successful year for school spirit.

WILL WE MAKE OUR DEADLINE?

Many hours were put into this year's yearbook. Last year the book was all planned out. They are the ones who chose the theme, and the design, and also the cover. The most important part of the book is the planning that is put into it. There are certain deadlines that have to be met. As these days approach, everyone gets nervous, especially Mr. Santy. This book will show you many long hours of hard work and frustration, but it is all worth it. Hope you enjoy it.

"ACTING IS REACTING"

The Thespians' main goal is to expand standards of excellence in theatre. The International Thespian Society is an honorary organization giving recognition to outstanding student actors and actresses for their hard work in school theatre programs.

"All the world's a stage" and each must play a part."

The Society's members are officially accepted to the club in an annual picnic and out-of-town trips to view professional performances.

F.C.C. OUT FOR FUN

Many hours of fun are the basis of the Forestry Camping Club, advised by Mr. Kemmeter. This club is organized for all those interested in out-of-doors activities. This past fall the club ventured to Morgan Falls, and to Sylvania Wilderness area on a canoeing trip. Many people, including John Kemmeter, President; Bob Felbab, Vice-President; Bob Robinson, Treasurer; and Kay Sommers Secretary, enjoy F.C.C.'s outdoor excitement. This club also features many out of school gatherings, including taffy pulls, pizza parties, and selling popcorn at the football and basketball games.

THE LIBRARY CLUB KEEPS ORDER

The Library Club is one of the many organizations in the school. There are 24 members this year and each has a specific job. The jobs are arranged into three categories: the desk, the floor, and the shelves.

Highlighting each year, money is raised by selling candy. The money earned by selling candy goes towards a Christmas party and a banquet at the end of the year.

NEW LIGHT IN STUDENT COUNCIL

The Student Council's performance this year was outstanding. During Homecoming they organized "Spirit Week," a new and fun activity which involved the student body dressing up in different costumes for everyday of the week. They also started spirit on the move by arranging a Homecoming parade. The pep rally was a smashing success with new competitive games.

After all the hard work, you'd think they'd take their bow and leave the stage, but the bookstore is always open before and after school, compliments of hard working members.

The Student Council sure made a new light shine upon themselves this year!

KEY CLUB IS UP AND COMING

This was Key Club's first year and Mr. Tubbs served as their advisor. Many people wonder just what the function of Key Club is. Key Club is a service club and their main goal is to serve the community. So far, they helped the Red Cross in their Annual blood drive and had a refreshment stand at the summer air show. All profits the club makes shall go towards community improvement.

If you are interested in joining this helpful club and doing something worthwhile for your community, contact Mr. Tubbs or anyone of the following people: *President* Mark Armentrout *or members* Renee Brummitt, Anna Nonn, John Blazke, Ron Schattschneider, Linda Fortier or Mike Fortier.

Top Row: Theresa Sackett, Sharon Benda. **Second Row:** Peggy Schnoor, Kathy Franz, John Franz, Mona Rumpf, Kelly Mangerson. **Third Row:** Thresa Rudis, Laurie Mangerson, and Carrie O'Brian.

PEP CLUB STARTS AGAIN

You may have never noticed it but Rhinelander High School has a Pep Club. R.H.S. has not had a Pep Club since 1975 because of the lack of interest, but students are now getting more involved and supportive. During the year, Pep Club has put up posters of coming events and congratulated all teams and team members for their hard work.

A SWIM THROUGH THE CHANNELS

The Catalina Club is a group of girls that want to perfect the art of water ballet. Mrs. Mary Ann Schmidt was the advisor for this past year.

Each year from October to March the girls work on the perfection of stunts. After this, all their time is devoted to working on the show, which is presented in the spring. The club is comprised of thirty girls.

The theme of the show this year was "A Swim Through The Channels" which had to do with last year's top T.V. shows and commercials. Twenty numbers made up the show which lasted approximately an hour and a half.

ATHLETES WORK FOR ATHLETES

The R-Club, under the direction of Mr. Mentink, is open to athletes who have earned letters in sports. The R-Club operates a concession stand under the same name, during all home football games. Students also sell refreshments at home basketball games. Although R-Club claims to be for letter winners, many others have been known to work selling concession, even if they have not lettered in a sport. Funds that are raised are used for a variety of purposes. Last year, senior letter winners in volleyball were bought tickets to the state volleyball tournaments. Some coaches have received money to attend clinics on their respective sports. This past year, tickets to the UCLA-Wisconsin football game were purchased and given to a number of senior football players.

If a student or athlete is interested in obtaining funds they should contact R-Club. More participation by letter winners is desired since they are the ones who benefit from this club.

NHS Members are: Delores Sirek, Julie Morgan, Jenny Owen, Doris Pryne, Lorrie Tuchalski, Ann Tromp, Marcie Lamers, Julie Magnant, Penny Norberg, Conrad Kichefski, Joyce Oravecz, Kathy O'Connell, Tammy Holquist, Anne Paulson, Jean Loesch, Brian Radzinski, Mark Schneider, Hans Anderson, John Nevin, Tim Lambele, and Jeff Schlueter.

N.H.S.

National Honor Society is a club based on grades from members' classes that meet five days a week. Therefore, gym classes aren't included in the average. Seniors must have at least a 3.5 grade average, juniors 3.6, and sophomores 3.7, to qualify for this club.

There is usually an initiation held in February at Nicolet College for these students. This is sponsored by the American Association of University Women.

TRIP TO LONDON HIGHLIGHTS DRAMA CLUB

Drama Club offers many exciting activities to the student, including *trips* to London, Minneapolis, Chicago, and New York to view professional theatrical productions. Last spring eleven members of the club traveled to London, England, where they saw the English productions of "Oliver," the mystery "A Murder Is Announced," and a new musical called "Beyond the Rainbow." Other highlights of the trip included: Westminster Abbey, Windsor castle, a shopping spree at Harrold's and of course, Big Ben. The club is under the direction of Mr. Baily.

Drama Club Members: Laura Zettler, Lori Torbenson, Mary Schumacher, Pam Bronk, Jill Dahlquist, Karen Heck, Karen Bretl, Ken Orten, Toni Fritz, Carrie O'Brain, Doris Pryne, Kristen Knopps, Tony Fortier, Diane Kavashan, Jeff Kozel, Lynn Bernsteen, Anita Kuchefski, Brian Radzinski, Conrad Kichefski, Julie Morgan, and Cathy Kavashan.

There's No Arguing With Success

VARSITY: Rita Johnson, John Nevin, Mike Stowers, Jenny Owen, Lori Vanney.
JV: Jennine Markiewicz, Sara De Valk, Lisa Johnson.

The RHS Debate Team enjoyed its most successful season in recent years with the return of 5 experienced varsity debaters, who have all debated in the state tournament. The varsity team captured more than 10 team and individual awards in competition around the state on this year's foreign trade topic. The JV debate team also experienced success, capturing a number of team and individual awards. The team looked forward to hopefully competing in the state tournament in January, which they have done for the past 3 years, as the highpoint of the 1979-80 season.

Forensics' Best Showing Ever

Those who went to State are: Pam Bronk, Becky Brown, Dave Defenbaugh, Karen Heck, Patty Hoban, Les Irwin, Lisa Johnson, Rita Johnson, Karen Junkerman, Conrad Kichefski, Kristen Knops, Jeff Kozel, Mike Kutkoski, Jean Loesch, Jennine Markiewicz, Candy Miller, Julie Morgan, Jenny Owen, Greta Peters, Doris Pryne, Mary Schumacher, Julie Seaman, Duanne Smith, Mike Stowers, and Mary Swenson.

Forensics is an argumentive exercise in the form of a speech or thesis. The members began practicing in early January and ended at State on April 28, 1979. The Forensics members practice at least three times a week for approximately an hour and a half.

In order for Forensic members to go to state, they must first perform at RHS and receive an A. If a member does not receive an A, they are not able to go on to the Sub District or District contests. The members who receive A's at all three contests go on to state.

The 1979 team had its best and biggest showing ever at State in Madison. Mrs. Martini-Davis, Mrs. Herman, and Miss Titus, the Forensics advisors, were delighted to have such a great 1979 Forensics team.

On Friday, April 27, 1979, the Forensics members, consisting of twenty six students, left RHS at noon to participate at the State meet in Madison. They returned Saturday afternoon victorious.

LATIN CLUB THANKS PARENTS

This year Mrs. Fease not only had her students, but also their parents raising money for their trip to Rome. The parents have sold raffle tickets, pizzas, and have set up bingo games, which brought in a lot of money. The money was used to send the parents' kids to Rome this past March. Their trip to Rome became a success thanks to their parents help.

GERMAN CLUB TRAVELS ABROAD

The 1979-80 German Club has plans for a very busy year. Under the direction of Mrs. Wendt, the club is planning a trip to Germany for about four weeks this June. The students will stay with families, learn about the country, and be able to test their German. Throughout the school year the club will have many cultural experiences, such as students eating and learning to prepare German dishes. Fund raising gained full force once again as club members sold candy, popcorn, calendars, and had a garage sale to support their activities.

Front Row: Joanne Kaveshan, Pat Ramsey, Susan Scott, Julie Nitke. **Back Row:** Mladen Gric, Jeff Schleuter, Connie Hagen, Kim Zuiker, Paula Berger, Michele Hannie, Mary Schumacher.

WANTTO BUY A CANDY BAR?

This is the question of many members of the Spanish Club. The club advisor is Mrs. Fease. The Spanish Club has 60 enthusiastic, ambitious members who exert themselves selling candy, fruit, cheese, magazines, etc. to raise funds for their trip. Students and chaperones will be departing for Mexico in June. They will visit Acapulco, Mexico City, and Taxco. There will be a lot of sightseeing, museum visits, learning the art of bullfighting, as well as lounging on the beaches and trying a variety of Mexican foods. Among other activities, the Spanish Club planned a Christmas party for all foreign languages at R.H.S.

THE REPORTER STRIVES FOR IMPROVEMENT

The Reporter, under the direction of Ms. Machtan, has improved in the last two years and if the paper is to continue in this way, according to Ms. Machtan, there must be more active involvement by the students at R.H.S.

As of now, the class decides on the assignments and every student in the Journalism class writes for the paper, but about only 15% participate in layout and design. Ms. Machtan stated that the writing has improved drastically, but there are problems with the layout that could easily be remedied if all Journalism students took the interest they should. The goal of the newspaper is to be good enough to compete nationally with other schools of this size in newswriting. In order to reach this goal, according to Ms. Machtan, if the students at R.H.S. want a better paper, they have to make it that way.

MEMBERS: Lauri Mangerson, Kelly Mangerson, Katy Priebe, Mary Jo Sgro, Sandy Holmes, Terri Koszarek, Karen Kubiak, Tammy Dorian, Patty Kriesal, Karen Dewitt, Michelle DeBrock, Cathy Snyder, Lauri Schoppe, Kathy O'Connell, Mary Jane Johnson, Kelly Sheils, Delores Sirek, Ann Fortier, Karen Burton, Jane Fortier.

TIMERS KEEP ON TICKIN'

Under the direction of Mr. Jensen, the volunteer R.H.S. Girl Timers work hard to support the Boys' Swim Team. The meets are organized by Patty Kriesel. Patty checks all watches, making sure they are working correctly, sets all watches and sets up cards before each meet begins. Head Timer Kathy O'Connell assigns each timer her duties and responsibilities for the meet. Other responsibilities besides timing are holding the false start rope and keeping score.

The timers and their parents are included during parents night and the annual banquet.

MEMBERS: Karen Junkerman, Craig Rondeau, Bart Musil, Nola Nelson, Rita Harvey, Pete Johnson, Shelly Ross, Brian Densow, Keith Lambert, Carol Vandervest, Mary Moeller, Jackie Tetzlaff, Sarah Gilman, Julie Dickison, Pixie Lidral, Jody Cheslock, Chris Jolin, Kathy Grant, Chris Rondeau, Dave Johnson, Jim Stein, Jock Sharkey, Bill O'Brien, Randy Herskorn, Dave Druckrey, D. SKI CLUB PRAYS FOR SNOW

The Ski Club this year under the direction of Mr. Rondeau had many trips planned for the ski season. Earlier in the season they planned on going to Telemark but due to an insufficient amount of snow the trip was cancelled. If all goes well the club is planning on making a return trip to Lutsen Minnesota.

The members go about raising money in various ways such as; selling candy bars, raffle tickets and they also collect club dues.

MEMBERS OF THE MAT MAIDS ARE: Ann Fortier, Renee Swedberg, Carol Carlson, Julie Antonuk, Ruth VanHarpen, Kolleen Kelling, Karen Buesching, and Judy Winkler.

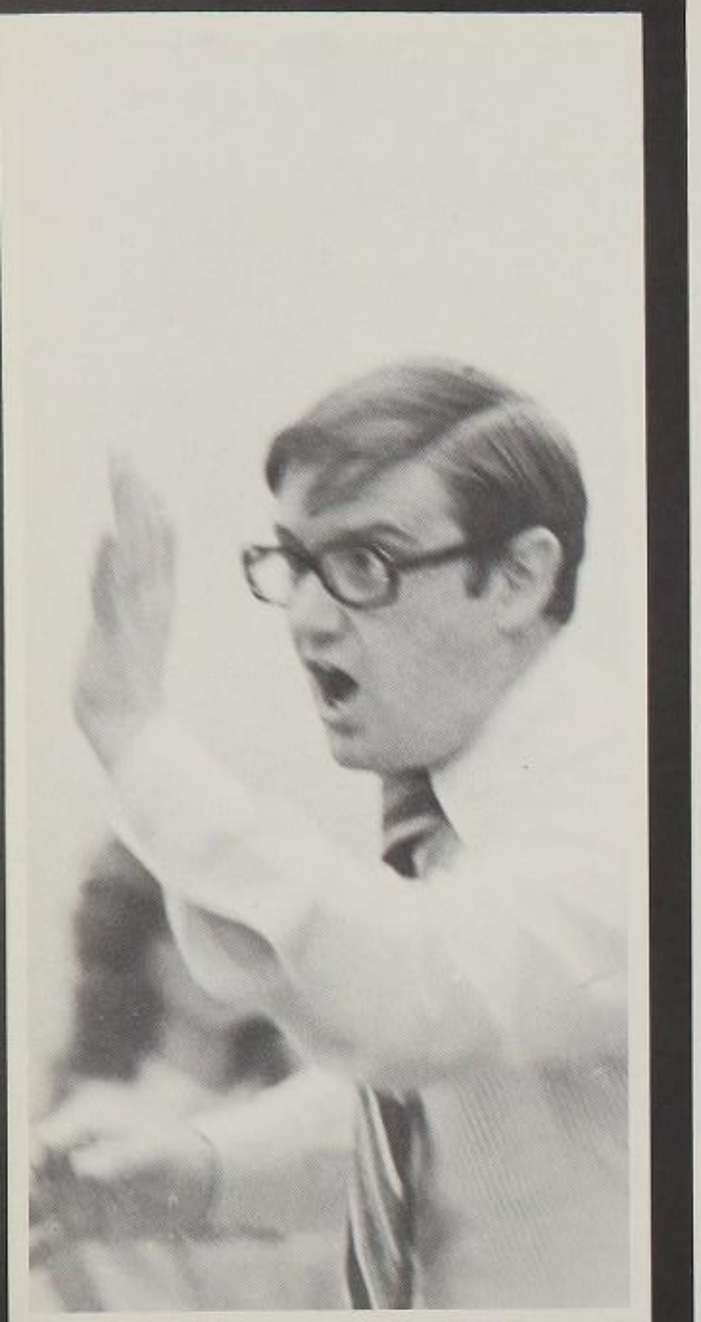
NEW FACES AND CHANGES FOR THE MAT MAIDS

The 1979-80 Mat Maids were under new supervision this year by Phil Amstad, varsity wrestling coach. They sold pop and concessions at all home wrestling meets. At the Hodag Invitational they helped score the meet.

Something new this year was a spectator bus which enabled loyal wrestling fans to attend the away meets. Our Mat Maids encouraged students to ride the bus and support the Hodags!

Though they numbered a few, their work was greatly appreciated.

JAIL HOUSE ROCK



GLEE CLUB CONTINUES TRADITION

Every year Glee Club performs at four major events. One event is Tri-City where Antigo, Merrill, and Rhinelander gather together to sing with a guest director. This year it took place here at R.H.S. The forty-five members also participate in a contest in Antigo where they are judged on three selections, on a basis of one to five. These girls also perform three concerts during the school year and brighten the Christmas Holidays by performing on a local television station.

GLEE CLUB MEMBERS

Shari Bartz, Genelle Belmas, Donna Bowman, Renee Brummitt, Pamela Calvert, Carol Cirilli, Chris Counter, Chris Culley, Marilyn Culton, Vicky Debay, Julie Dutton, Angela Fisher, Amy Hanson, Kathy Heck, Karen Heise, Cathy Helbock, Michelle Hill, Tammy Hurlbutt, Ellen Javenkoski, Theresa Kelling, Susan Langdon, Lisa Lundberg, Julie Nitke, Laurie Oelrich, Tina Payne, Doris Pryne, Tammy Ring, Ramona Rumpf, Barbara Schmidt, Diane Siedschlag, Marti Smith, Julie Smoczyk, Wilma Sparks, Dawn Tillow, Rosemary Towne, Debbie Vozka, Lauralee Wachal, Trudi Walti, Sarah Watson, Laurie Wollenzein, Amy Meadows, Sandra Waszak, Natalie Keck, Glenda Spafford, Renae Gilbert, Victoria Kearney, Rhonda Gamez.

CONCERT CHORUS HAS A MUSICAL YEAR

The Concert Chorus, under the direction of Mr. Gentile, is 70 voices strong this year. There are two choruses at the high school and Concert Chorus is the more advanced group.

The chorus prepared for a Christmas, Mid-Winter, and Spring concert this year. They also performed in the annual Tri-City concert with Antigo and Merrill choruses here at Rhinelander.

The chorus is open to any student that can match pitches. If you like to sing, chorus can be a worthwhile experience.

JAZZ ENSEMBLE I

Carol Aschenbrenner, Joe Breneman, Kathy Dutton, Jeff Kozel, Laurie Mangerson, Paul Marquardt, Randy Marten, Jerry Moore, Julie Morgan, Russ Nelson, John Nevin, Brian Norton, Chris Ory, Mark Rhode, Steve Schumacher, Jeff Tracy.

WHAT ABOUT PLAYING IN THE JAZZ BAND?

Our music department offers Jazz Ensembles 1, 2, and 3 to those talented musicians who love music. The jazz bands at the RHS are composed of such instruments as alto, sax, tenor sax, baritone sax, trombone, and bass trombone, several trumpets, a set of drums, a bass guitar, and a piano.

To become a member of the jazz band, you must have been in a band class here at the RHS or know how to read music, and perform well enough to convince Mr. Oxley, the instructor, that you can handle it. A good thing to keep in mind is that a jazz musician has to have the talent to perform improvised solos, as well as being able to interpret the music as a composer would want it.

You start at the bottom and work your way to the top. Jazz 3 is usually the first step, then Jazz 2 and at last Jazz 1. Although it takes a lot of work, and keeping your nose to the grindstone, it is well worth the effort! The members of the Jazz Band also get the chance to prove their talents performing in the mid-Winter and Spring Concerts here at RHS.

JAZZ COMBO

Dennis Carlson, Reece Holbrock, Joe Lovelace, Craig Metz, Dana Norton, Chuck Oleinick, Larry Sparling, Anne Staus.

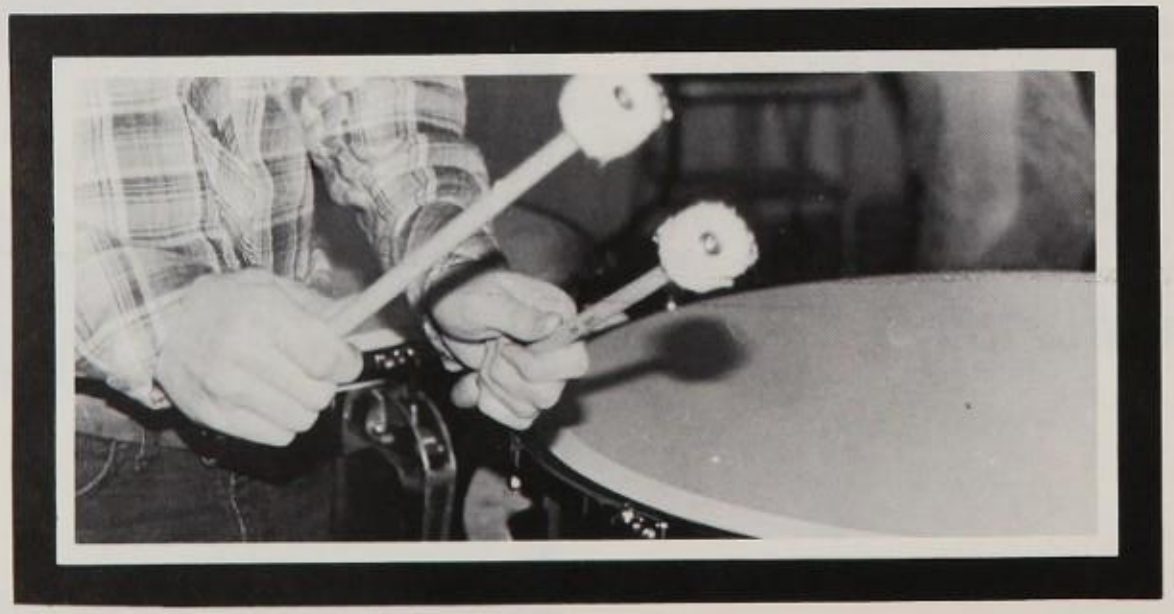
JAZZ III

Members are: Kelly Sheils, Helen Emmer, John Todd, Matt Russell, Trish Larson, John Tracy, Rich Groth, Dana Norton, Chuck Oleinik, Lynn Dickson, Gerald Folgert, Dave Tupa, Dave Parnham, Theron Sorgatz, Larry Sparling, Dennis Carlson, Joe Lovelace, Ann Sonderman, Matt Dumar, Julie Morgan, Marcie Hafenbreadl, Julie Maltby.

PEP BAND: FUN AND ROWDY

From disco to rock and roll, to polkas, the Pep Band has kept the sports activities alive with their music. Many times they have been commended for their excellent performances. This group truly knows how to make music fun for everyone.

Full of fun and rowdiness, not to mention excellent musical abilities, the RHS Pep Band brings to life many sports activities. The Pep Band begins their year of action before school begins. Football season means pre-game and halftime marching shows. The Pep Band plays for all pep rallies and home basketball games as well as some parades.



FRESHMAN BAND

FLUTE: Kris Levanetz, Laurie Bruso, Sarah Schneider, Kathy Krause, Laura Zettler. CLARINET: Claudia Haissig, Lori Haberli, Carla Nehls, Carrie Staus. CONCERT BAND KEEPS BUSY

Concert Band is organized for the advanced band students only. Each musician spends a great amount of time practicing both at school and at home. This band carries much farther than the 8-3 hour school day. They participate in many out of town trips and also night time concerts.

It is difficult to realize how much time is put into the RHS Concert Band. The band participates in Spring, Winter, and Mid-Winter concerts. Each performance requires many hours of practice. The band also participates in Tri-City Concert and solo and ensemble contest.

THE VERDICT

TESTIMONY

SENIORS STATE THEIR PLEA

HAS YOUR OPINION OF R.H.S. CHANGED SINCE ORIENTATION DAY OF YOUR FRESHMAN YEAR?

Almost all of the seniors that the Hodag Staff surveyed said yes, their opinion of R.H.S. has changed. Some said they had expected it to be much harder, and were relieved to find out it wasn't. Others said that school gets better every year. A lot of the others felt that their opinions changed this year the most, because of all the changes that were made, such as the change in school hours. The students also thought school would really be a "bummer" but later found they really enjoyed it.

WHAT ARE YOUR PLANS AFTER GRADUATION?

Out of the students surveyed, 75% of them said they would go to college, or technical school. The next choice was to move into their own house and get a job. Some of the graduates said that they would be going into the military service. A lot of the graduates will be getting married when school is finished. Then there are those who just don't know what they're going to do.

HAS R.H.S. PROVIDED YOU WITH THE KIND OF EDUCATION YOU FEEL YOU NEED?

Yes, according to the survey, R.H.S. has in most cases provided its students with a good education. Others felt that they really wouldn't know until they go to college. The students thought that some areas of study were better than others. Some students felt that the teachers were too easy on them; therefore, they only did as little as was needed to pass the course, and found themselves regretting it as college draws nearer. Some felt teachers were too hard on them and they had no incentive to work in classes where they were pushed to do things. All in all, though, most of the students felt they have received a good education at R.H.S.

5TH HOUR: HOW DO YOU SPEND IT?

How many people actually eat during their lunch shift? For years the cafeteria has posed as a gathering place for friends. They discuss their dates, from the night before and the parties coming up.

There is one major problem involved. The cafeteria just does not provide the amount of space we would like it to. The kitchen help agrees. Mary Goulee said, "We sure could use a lot more space." There is a total of around 800 students who eat hot lunch each day. These students are divided among the three lunch shifts, first and third being equally overcrowded. For this reason many utilize fifth hour in various ways.

During Fall and Spring many students spend their lunch time in the sun. You often find Frizbees or footballs being thrown. Seniors on open campus and those underclassmen that succeed in sneaking out may go to their favorite local hamburger stand, or even just sit at the park.

Either way the lunch shifts always seem to pass by quickly.

MAKING IT AND BREAKING IT

Inflation is one of America's leading problems today. With gas prices at a high of almost $1.15 a gallon and the steady price increase of everything else, more students are getting jobs. The old dollar just won't buy what it used to and many parents aren't willing to hand over the cash for their child's every need at the snap of a finger. According to a survey given out by the 1980 Hodag Yearbook Staff, one third of the freshman class receives an allowance and almost two thirds have some kind of jobs. This is a rather surprising amount compared to a few years ago when most teenagers didn't get jobs until later in high school. As a result, today's youth may be becoming more independent at an earlier age.

The amount of sophomores that work is a little higher than the freshmen, but fewer receive an allowance. Less than one quarter of the junior class receives an allowance whereas three quarters have jobs. As age increases very few people get money from their parents, which can be seen by the amount of seniors that get an allowance, only one tenth of the class compared to nine tenths that have jobs.

No matter how people obtain their money, it all spends the same. According to the survey, most of the students at RHS spend their money on clothes, regardless of age. It seems that entertainment was at the top of the list for every class and records, albums, and tapes were near the bottom. Surprisingly enough, freshmen spend the third most amount of money on food, whereas it was rated last or second from last for the other classes. Without transportation, freshmen are limited as to what they can do on their free time, obviously they spend a lot of time at the hamburger stands.

When it comes to gasoline, freshmen spend the least amount of money, sophomores second from last, juniors third most, and seniors second most. Although driving has its advantages it also has its drawbacks such as the high price of gasoline. Besides having the responsibilities that go along with a license, juniors and seniors also have their futures to be concerned about. To many, a job may mean college entrance or to others it may mean having their own apartment. Whatever their plans are for after graduation, money is a definite factor determining the rest of their lives. It's too bad that teenagers can't sit back and enjoy the best times of their lives without having to worry about money. There's plenty of time for that in their futures. Money can't buy happiness, but if it could, maybe our money would be better spent.

After 20 minutes of dialing the phone and hanging up on the first ring, I finally summed up enough courage to let it ring until someone answered.

Her little brother answered, "It's a boy," he bellowed out, "Are you home?"

After a few minutes of conversation, I asked her out. "How would you like to get a bit to eat and maybe we could do something afterward . . ."

"A romantic dinner with you would be fantastic," she replied, "and afterward we could go for a walk . . ."

A NIGHT ON

A FRESHMAN NIGHT OUT

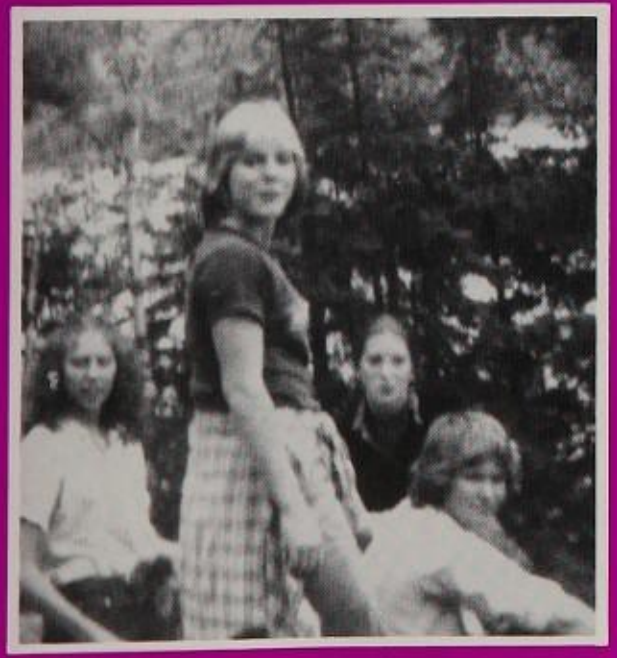
Jim and Mike were in the cafeteria after school deciding what they would do on that Friday night. Jim said that he would just go over to Mike's and they could decide from there where they'd go. When Jim got to Mike's he fould him in the bathroom putting on after shave and gargling mouth wash. He figured Mike planned on meeting a girl. The two decided to go to the basketball game and sit in the balcony checking out the girls. They started their walk to the high school and began their adventuresome evening.

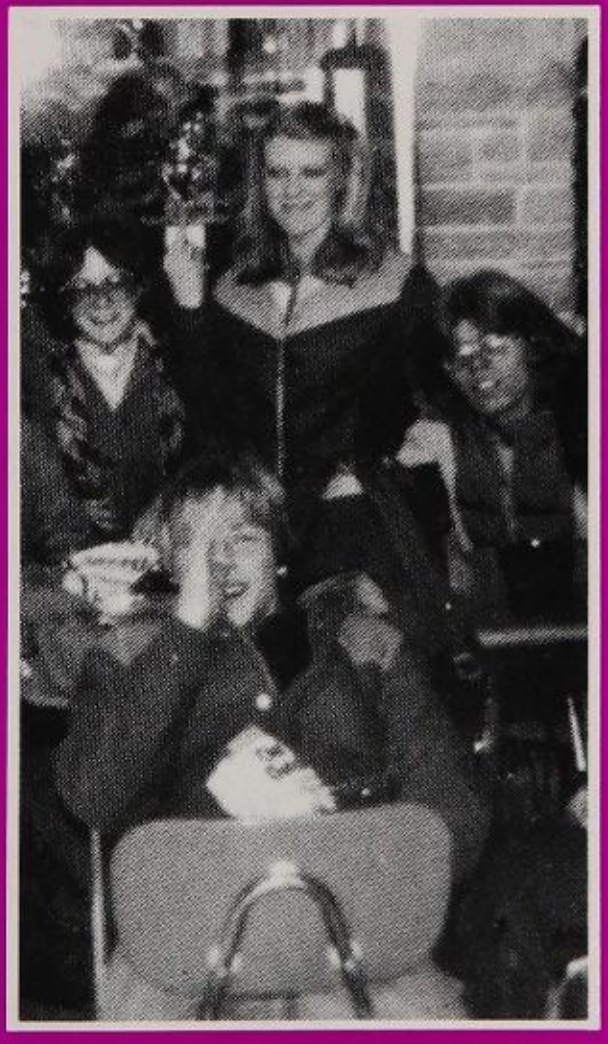
Once at the game they snuck into the gym in the usual way — by somehow getting the ticket taker's attention — then walking in.

After they got in, they hid behind the bleachers until the ticket taker gave up looking for them. Quickly losing interest in the game, they goofed around and did fun stuff like throw popcorn in the girl's hair or spit on the kids in front of them. But the biggest thrill of the evening was throwing gum and paper airplanes on the floor until Mr. Ditter yelled at them on the public address system.

Jim and Mike left the game at halftime partly because they were bored but mainly because the freshman girls also left then. They followed the girls all the way to the "Freshman Haven," otherwise known as MacDonald's. As a matter of fact, everything went on in there on Friday nights, except eating of food. Jim and Mike, and the rest of their gang teased the girls by throwing ice and french fries at them. Before long, the whole group was kicked out. They boys gathered in a circle and talked about grabbing a girl and going for a walk, but the only walk they took was the long walk home. Jim and Mike's exciting night was over because it was 10:30 and they both had to be home by eleven o'clock.

THE TOWN





A SENIOR NIGHT OUT

The last hour of work dragged on for Dawn. She got off work at 8:00 and she hated to be late for a basketball game. A horn beeped outside, and as she glanced out the window she saw Judy waiting for her.

"Can I go now Mr. Culley?"

"Sure Dawn, go ahead."

She ran out the door and hopped in the car. Both girls were wearing the usual weekend attire — Levi's and a sweater.

They arrived at the game just as the players were running out. "Over here you guys. We saved you a seat!" The girls ran up the bleachers and sat with the rest of their friends. Everyone was rowdy, of course, for it was Friday, the beginning of the long awaited weekend.

At halftime they all went out to Judy's car.

"Should we get some beer or something?" Judy asked. They all looked at Ann, for she was the only one of them who was eighteen. She hesitated for a moment.

"You know it's weird. Now that I'm finally eighteen, I feel like I don't belong there. I guess I will though."

They all had a few cans of beer and went back to watch the rest of the game. After it was over everyone went to the Pizza Haven to discuss where all the parties were.

"Hey, I hear there's a party at Lowel's!" someone yelled.

The girls went to Lowel's for an hour or so and then decided to get something to eat, so it was off for the usual burger, coke, and fries routine. Sooner or later all kids came for their junk food.

About 11:30 they went through town to see if anyone was still out.

"Well," said Cindy, "Can you bring me home? I want to catch the end of the late movie. Burt Reynolds is on! Do you guys want to come over?"

Most of the group went over to Cindy's except the most daring of the group, Dawn and Judy.

"Well, what do you want to do?" Dawn asked.

"I know! Let's try to get into a bar!"

"I don't know. Do you think we should? They'll probably check us for sure."

"Who cares! Let's go for it!"

The two went about five miles out of town to a backwoods bar. They sauntered in and tried to ack like adults. The bar was practically empty except for the bartender and an old man sitting at the end of the bar. The bartender was eyeing them suspiciously.

"We'll have a couple of beers," Dawn said, as they both sat down on the stools.

"Sure girls," the bartender said. "As long as I can see a couple of I.D.'s."

"Ah . . . well . . . I left mine in the car."

"Yeah me too!" Judy stuttered. "We'll be right back."

They both ran back to the car and tore out. Dawn was practically on the floor laughing.

"Oh god, I have never been so embarrassed in my life!"

"Oh boy, that was something else!" Judy cried.

"Hey I have to get up and go to work in the morning, so I'll take you home now, O.K.?"

Judy took her home.

"See ya tomorrow night, Jude."

"Yeah see ya tomorrow!"

IS THIS THE FUTURE OF R.H.S.?

At the end of a decade there is always some speculation as to what can be expected from the oncoming years. With the Seventies finally over, we found ourselves on the threshold of the Eighties, wondering what was in store for us. In order to get a pretty good idea of what the future would hold, we spoke to Mr. Robert Hanson, superintendent of Rhinelander K-12 school district, Mr. Donald Schuelke, Principal of R.H.S., Mr. Keith Young, and Mr. Guy David, assistant principals of R.H.S. When asked to give us some insight into the Eighties, there were several things they were sure we could expect.

For instance, they each predicted a sharp decrease in the school's enrollment, possibly by as many as four hundred students. This decrease would affect many different areas. In sports, according to Mr. David, we might see some "belt tightening." In other words, whereas there are usually several different teams for each sport: freshman, sophomore, junior varsity, and varsity teams, there might be cut down to one or two. The main reason for this would be quite simply that there won't be enough students to participate in each sport. Some might also have to be eliminated entirely. Mr. Schuelke hoped that these sports could be cut as they had been adopted, according to the needs and requests of the students.

Sports that are less publicized, Mr. Hanson predicted, would be more in demand. Inexpensive, lifetime sports such as tennis and cross-country skiing will interest students more than the traditional high school sports: football, basketball and wrestling.

Also, less students will mean fewer teachers will be needed. As many as teachers, according to Mr. Young, could be laid-off within the next decade. A decrease in teachers will make departments smaller, and some classes will be eliminated entirely. This would be done according to the students' preferences shown through electives. However, Mr. Hanson did not feel that a great number of classes would be cancelled. He said, "We'll never become so small that we'll be overly limited in our class selection."

As for classes themselves, Mr. Young said we'll see a definite change in them. The early seventies were a time of student turmoil held over from the Sixties, and attempts were made to pacify students. It was during this time that things such as electives and open campus were created. Mr. Young thought that the trend in the Eighties would be to get back to the basics with a more strict curriculum stressing reading and writing. One step made in this direction would be a test which all students will have to take at the end of their sophomore year on the basics of English. Mr. Young added that if a student should fail this test, he would not be allowed to take any electives in his junior year. Instead, the student would be given courses that would teach him the basic skills he had missed in his previous education.

The school as a whole will have several goals it would like to see achieved in the 1980's. Among these would be an improved library, possibly located in the lower part of the building. And will we see a field house in the 1980's? All four men felt it would definitely be in the future of R.H.S.; it will just be a matter of time and money. A new field house would probably be more of a community center in order to ease the burden of it's construction and maintenance from the school.

Another goal of the school would be to organize a coordinated curriculum. This would involve all schools in the Rhinelander K-12 school system, besides being just in R.H.S. A coordinated curriculum, Mr. David felt, will be important in that it will eliminate repetition of what is taught between schools, grades, and even individual classes. By more closely meeting the students' needs this curriculum would be moving toward the maximum amount of learning for each student.

"The 1980's will be troubled years for schools financially because rising inflation will make people unwilling to part with tax dollars for the expansion of school projects," said Mr. Schulke. We will see a cutback in sports mainly because of the decrease in the school's population. We'll be able to look forward to changes in classes as we know them, some met favorably by students and others not. Students will change, too, Mr. Hanson felt. Of the students he said, "They will be forced by inflation, energy crises, and politics to be more mature, more serious. The 1980's will be difficult." By the end of this decade we sould see some changes in the building from the library to the field house that we all have hoped for so long.

Will all of these changes be for the better or for worse as far as our school is concerned? The answer will be found somewhere in the next ten years.

The good times are hard to leave behind,
But we've got to change location—
It's too late to change my mind.

We just exchanging cages,
But our chains ain't all that bad.
You made the going easier—
Twice as sad.

People grow and people change,
I'm not surprised we're not the same.
And days will seem forever long,
When I recall the times now gone.

"We're friends forever—" yearbook notes
I read once in a while.
The words we said were all sincere
But truth's been dimmed by miles.

Still sometimes I hold memories
Of life behind the wall—
Everything we said and felt
Was never lost at all.
